## GERMANS DELAY ADVANCE TO EAST UNTIL NEXT YEAR

Russian Naval Authorities  
Do Not Expect Advance  
This Fall

## MENACE TO NEW REPUBLIC IS GREAT AS IT STANDS

German War Office Reports  
Heavy Artillery Fire  
In Flanders

(ASSOCIATED PRESS TELEGRAM)  
Petrograd, Oct. 16.—The German landing force on the Russian island of Oesel is developing its success, the Russian war office announced today and the Teutons are being reinforced with additional troops.  
The Germans have instituted an offensive against the Svorb peninsula in the southwestern section of the island with the object of capturing the Russian batteries of Serel. These batteries cover the entrance to the Gulf of Riga.

(ASSOCIATED PRESS TELEGRAM)  
New York, Oct. 16.—The German operations in and around the Gulf of Riga, which have centered attention upon the northern Russian front for several days past, are not likely to be extended this fall to the Gulf of Finland, on the route to Revel, Krantstad and Petrograd in the opinion of Russian naval authorities. The lateness of the season will have the effect of localizing the German effort, the minister of marine believes.  
The situation created by the Teutonic move however, is serious enough for the Russians in its present aspect. With the naval preponderance of the Germans in the Baltic there seems little to prevent them from making the gulf of Riga virtually a German lake and solidifying it into a strong naval base from which military operations, as well as easily be pushed advantageously under propitious weather conditions.  
The military situation on the various fronts in the western war area was virtually unchanged overnight, so far as the official statements reveal.

The German reports have begun to lay stress again upon the violence of the artillery fire in Flanders but there are no indications that the bombardment has yet been worked up to the point where the British find themselves ready for a renewal of their drive.  
Evidently much depends on the weather in this region. In the light of his last week's experience with the handicap of the Flanders mud, it seems probable that Field Marshal Haig will await the settling of the ground into something more passable state, although the hope of securing even ordinary good conditions at this late season of the year seems now to be considered small.

On the French front the activities are centered on the Alsace and before Verdun. Last night's fighting in both regions was mostly monopolized by the artillery. The German infantry however came to life on the west bank of the Meuse attacking Hill No. 304. The French found little difficulty in repulsing these assaults while on the Alsace front French parties made successful incursions into the German lines.  
British casualties continue to show a declining rate. The total reported in the last week was 14,096 as compared with 17,505 for the week closing Oct. 9 and 21, 1917, for the preceding week. This is despite the fact that the British have been heavily engaged in Flanders during the past three weeks scoring some of the most notable gains of ground in this year's fighting within this period.

## FORMER FRENCH MINISTER FREED OF GRAVE CHARGE

(ASSOCIATED PRESS TELEGRAM)  
Paris, Monday, Oct. 15.—Premier Poincare communicated to the cabinet today the result of the inquiry he made into the charges against Louis J. Malvy, former minister of the interior, accused by Leon Daudet, editor of L'Action Francaise of having betrayed secrets to Germany. The premier said his investigation had shown that all the accusations, whether of communicating military and diplomatic documents to the enemy or of complicity in military disturbances were quite unfounded.  
The premier said the government was resolved not to tolerate interference with judicial procedure which would be followed to its proper conclusion in absolute independence, in conformity with the ministerial declaration. The government considered it to be its duty, however, to clear up, in the interest of internal peace and the nation's morale accusations the falsity of which had been established, which were left to the judgment of the public conscience.

MEXICAN VILLAGE RAIDED.  
(ASSOCIATED PRESS TELEGRAM)  
Mission, Tex., Oct. 16.—Reports reached here today of a bandit raid at Granjeno, a Mexican village on the Rio Grande six miles southeast of Mission. The firing could be heard at Madero City.

Hampson Gary.

## TAX COLLECTOR GOES TO JAIL FOR SAVING HOMES OF THE POOR

(ASSOCIATED PRESS TELEGRAM)  
Plymouth, Mass., Oct. 16.—Benjamin C. Reed, 68 years old, former tax collector and treasurer of Whitman and widely known as "Honest Ben" today began a two-year term in the house of correction, after pleading guilty yesterday to the larceny of town funds amounting to \$25,000.

Reed made a remarkable statement in court in pleading to the charge. "I may have done wrong, I realize it now and am willing to take my punishment," he said. "I did the best I could. Not one cent of the \$25,000 in my defalcation has been appropriated to my own use, but rather to meet outstanding taxes which threatened to expose my own peculiar style of book-keeping."

The old man related that at the time of manipulating his accounts business was dull in Whitman and many of his friends were unable to pay their taxes.  
"I knew that if I pressed many of them who owed the taxes," he went on, "it meant the loss of hundreds of homes and the wiping out of small bank accounts. I collected money and applied it to the accounts of those who could not pay year after year and the two offices I held made it possible for me to transfer from one account to the other. Part of my salary also was used for this purpose."

District Attorney Katzman admitted that there was no evidence that Reed used the money in any other way than he had stated. He had been in office since 1903.

## AVIATOR DIES OF INJURIES; DROPPED 1000 FT. AT DAYTON

Dayton, Oct. 16.—Frank Amiss of Saratoga, N. Y., died this morning following a drop of one thousand feet in an airplane in which he was riding with Lieut. H. M. Sanford, assistant adjutant of the field and a cousin of the young man. Amiss was a member of the naval reserve and was a visitor to the local flying field. The aviator was trying a "tail spin" and was unable to right his machine in time to make a safe landing. Two accidents happened at the field. In the second, Oscar C. Wright, cadet, had his face and hands badly burned and W. H. Miller of Dayton, reserve military aviator was burned about the face in a tail spin drop of 500 feet, the gasoline tank of the machine exploding when the airplane hit the ground. Amiss' death is the second at the local field since its opening in July this year.

## AMERICAN AMBASSADOR URGES RUSSIANS TO FIGHT

(ASSOCIATED PRESS TELEGRAM)  
Jassy, Rumania, Thursday, Oct. 11, via Petrograd, Monday, Oct. 15.—Charles J. Vopicka, American minister to Rumania, has made several visits to the front recently, exhorting the Russian soldiers to continue fighting. On one visit he spoke to 20,000 soldiers. There was a great demonstration at the conclusion of the speech, the enthusiastic soldiers carrying the minister about on their shoulders. Every mention of America was applauded vigorously.  
A committee, representing the Ninth Russian army, has voted unanimously to continue fighting.

PASSENGER AGENT KILLED.  
Toledo, O., Oct. 16.—J. A. Williamson, 62, who was killed last night in Detroit, when a street car struck his automobile, was district passenger agent for the C. H. & D. Railroad, with headquarters in Toledo. He had been with the road 33 years, 17 years in his present capacity.

## JOFFRE PRAISES WORK OF YANKEES IN FRENCH DRILL

With Gen. Pershing He Visits  
Training Camps In  
Twenty Villages

## PREDICTS SUCCESS FOR TROOPS IN THE TRENCHES

Refers to Resourcefulness of  
New Ally In Men and  
Material Wealth

American Training Camp in France, Monday, Oct. 15.—(By the Associated Press)—When Marshal Joffre came to visit and review the contingent of American troops training for the trenches today he brought some of the sunshine of France with him. Dripping clouds whose constant deluge had turned rivulets into torrents and flooded the lower valleys, broke away and revealed a deep blue sky. Joffre luck did not hold throughout, however, for in the afternoon a violent hail and rainstorm broke over the training grounds where the marshal was witnessing bayonet and bombing drills by picked American companies.

The party at one time approached a little too close for safety to the bombing. General Pershing, who accompanied Marshal Joffre throughout the day, suggested that they move back 30 or 40 paces "for France," he said, "hase but one marshal, and we cannot let him be in the slightest danger."

"Oh, France could get another marshal," replied hero of the Marne with a shrug of his shoulders. The marshal motored with General Pershing through more than a score of French villages in which American troops are billeted, and received remarkable demonstration of esteem from the soldiers and of affection from the French people. Late in the day, just as darkness was setting in, the party motored into a picturesque little town where a French division had been drawn up to receive the marshal, and when a regiment of American infantry also is quartered. The entire population of the town had gathered along the route taken by the automobiles and the enthusiasm of the people illustrated strikingly the morale of the French nation. They cheered Marshal Joffre and General Pershing when they came into view, cheered the crack French soldiers when they swung by in review, cheered the American troops when the marshal walked before them, and when a French band burst into the "Marseillaise," woman and little children joined in singing the national anthem.

The marshal made his speech in French. After considering the various acts of Germany, the marshal said: "America drew the sword and no one in France doubted she would do great things." He referred to the great power of America in men, resources, wealth, and material wealth, and continued:  
"In every way you have realized our hopes. The best proof of your earnestness, your determination to help win this war against autocracy, may be read in your eyes as I look into them. Under the direction of (Continued on Page 2, Col. 1.)

## GOV. COX APPEALS TO PATRIOTISM OF OHIO COAL MINERS

(ASSOCIATED PRESS TELEGRAM)  
Columbus, Oct. 16.—Declaring that it is "not necessary to waste words about the coal shortage in Ohio," and that "regardless of differences as to the cause, the shortage really exists," Governor Cox today issued an appeal to the coal miners of the state, urging that they expedite the largest possible production of the precious fuel.

In his statement the governor appeals to the miners of Ohio because of a conviction "that they will respond with a patriotism that has always characterized their attitude toward any public emergency" and adds, "that with co-operation by the miners, the operators, railroads and federal and state government agencies of distribution the present situation ought, very quickly, to improve."

"Two years ago," the governor's appeal reads, "there were approximately 50,000 men in the mines. There are not over 35,000 now employed. Opportunities in manufacturing centers and enlistments in the army have depleted the ranks so that the output, per individual, must be increased if present needs are to be taken care of."  
"The federal government has lifted the priority embargo and shipments will be made to local communities for the time being."

"During this period it is highly important that the output of the mines must be raised to the highest possible maximum. Every miner who contributes to this end will be compensated by the thought that a distinct service is being rendered to his country."  
The governor concludes his appeal by expressing his gratification that there has been so little industrial contention between coal miners and operators in Ohio.

## PHOTO SHOWING GENERAL KORNILOFF AND HIS TROOPS REACHES AMERICA

This is the first photograph of General Korniloff that has arrived in the United States since he made his unsuccessful attempt to overthrow the provisional government of Kerensky, the Russian premier. It shows him with some of the troops he led against Petrograd in his attempt to make himself dictator of Russia.

Almost as suddenly and mysteriously as it had started, the revolt of Korniloff began to collapse. Finally realizing that his cause was hopeless he surrendered to Kerensky.

## 10,000 MINERS STRIKE; DEMAND INCREASE IN PAY

(ASSOCIATED PRESS TELEGRAM)  
Springfield, Ill., Oct. 16.—Because wage increases did not become effective today 10,000 coal miners in central Illinois did not appear for work this morning, it was admitted at the offices of the Illinois coal operators' association.  
Mine officials said they expected the strike to spread rapidly. According to Peoria operators, a general walkout in Illinois Indiana, Pennsylvania and West Virginia was probable.

Demands of 10 cents a ton increase for digging coal, five dollars a day for day work and 15 per cent. advance for yardage and dead work were to have been allowed by operators, it was said, contingent upon permission by the fuel administration for an increase in coal prices to absorb the wage increase.

Today was the beginning of the second pay period for October, and miners insisted that the advance in pay begin today.  
President Frank Farrington and other officials of the Illinois miners' organization were attending the convention of the state federation of labor at Joliet and were notified of the strike.

## "SNOW BIRD" WEDS RESERVE OFFICER

Mrs. Marie Peary.

Miss Marie Anighito Peary, the daughter of the explorer and known widely as the "snow bird," was married recently to Edward Stafford, son of Justice Wendell P. Stafford. The groom is a Dartmouth graduate and now a captain in the reserve army. The bride's birthplace was a hut far beyond the arctic circle.

## SIX MILLIONS AN HOUR IS COST OF EUROPEAN WAR

All Belligerents Spending  
160 Millions Every Day  
Bank Declares

## TOTAL COST 155 BILLIONS IN FOUR YEARS, ESTIMATE

Superiority of Allies In  
Men and Money Shown  
By Reliable Statistics

New York, Oct. 16.—The war is costing the belligerent nations \$1,600,000,000 a day—at the rate of \$160,000,000 a day—\$4,500,000 an hour—and the United States is paying at least one-quarter of this staggering sum, according to estimates made today by the Mechanics and Metals National Bank of New York. The estimated daily cost at the beginning of the war was \$50,000,000 and a year ago it was \$100,000,000. This country's rate of expenditure is greater than any other nation. Great Britain being second and Germany next.  
By next August, according to the bank's figures, the total cost to the world will be \$155,000,000,000. Already expenditures have exceeded \$140,000,000,000, of which all but a fraction has been translated into permanent national indebtedness. Interest on public debt is now calculated to be more than ten per cent. of the normal income of the German people, as compared with less than one-half of one per cent in the case of the people of this country.  
The developed national wealth of the allies is placed at \$600,000,000,000 by the bank, while that of the Teutonic powers is given as \$130,000,000,000.  
About 53,000,000 men are today engaged in the war. To what extent the entente allies have gained superiority over Germany is shown by the bank in striking fashion.

With no more than 2,000,000 of American manhood enlisted—the total military strength of the allies is 33,000,000,000 against a total for Germany, Austria, Hungary, Bulgaria and Turkey of 20,000,000. The population of 14 entente allies, from which the ranks of their armies may be replenished is altogether 1,300,000,000 against a population of less than 150,000,000 in the central European nations.

## NATIONAL CHURCHES LOST CHRIST'S SPIRIT SAYS MISSIONARY

Columbus, Oct. 16.—Failure of the church to have a national message may be held largely responsible for the war, according to Dr. James L. Barton, secretary of the American board of commissioners for foreign missions, who spoke here today on "The Church and a Distracted World" before a sectional meeting of the National Council of Congregational churches.  
"We have trusted to the national churches to Christianize the nations," he said, "and the Russian, German and English churches, being nationalized, lost the spirit of Christ."  
Dr. Barton declared that religion figures in the war, although it is not a religious war. "Protestants, Roman Catholics and Mohammedans," he said, "are fighting on both sides." He pictured the religious upheaval in China, India, Russia and Japan, where he said religion is coming to be controlled by the people rather than by priests and is as much a democracy as in politics.

## LIBERTY LOAN IS EXPECTED TO REACH A BILLION TONIGHT

Washington, Oct. 16.—Subscriptions to the second Liberty loan will have to come in at the rate of \$420,000,000 a day from now until October 27 when the big drive ends. If the \$5,000,000,000 hoped for by the government is obtained. Official estimates put the total subscriptions thus far at \$900,000,000, with only 10 more working days of the campaign to run. This leaves \$4,200,000,000 still to be raised.  
With the billion-dollar mark in sight for today, treasury officials were inclined to believe that the remainder of the campaign would witness a tremendous acceleration in subscriptions and that \$2,000,000,000 might be reached by the end of the week.

## ENGLAND IS USING HALF OF NORMAL WHEAT SUPPLY

Washington, Oct. 16.—Under new war ration regulations, England had advised this government it has begun the task of reducing wheat consumption for the forthcoming year to less than half the normal consumption before the war began.

## STOCKYARDS AT KANSAS CITY ARE SWEEPED BY BLAZE

Thousands of Cattle Burned  
and Other Thousands  
Turned Loose

## STEERS ROAM THROUGH CITY'S BUSINESS DISTRICT

Firemen Use 100 Pieces of  
Apparatus and Much  
Dynamite

(ASSOCIATED PRESS TELEGRAM)  
Kansas City, Oct. 16.—More than one-half of the Kansas City stockyards, the second largest in the country, was destroyed by fire early today. It was estimated after the fire had been brought under control, after raising for two hours, that several thousand head of cattle had been destroyed. Some estimates ran as high as 10,000. There were 47,000 cattle in the yards at the close of business yesterday, it was said, and while it was possible to liberate most of them, so rapidly did the flames gain headway that many were caught and burned.  
Hundreds of cattle liberated from the burning structure reached the downtown sections of both Kansas City, Mo., and Kansas City, Kas. It was the third disastrous fire in the history of the Kansas City stockyards. The blaze was discovered by two patrolmen in Kansas City, Kas., and before they could summon apparatus the fire had become unmanageable. Fire departments from both Kansas Citys combated the flames.

The origin of the fire was undetermined. The other two were caused by carelessly thrown cigarette stubs. No estimate of the financial loss was available early today.  
By 7 o'clock the fire had been extinguished after the firemen had been fighting it with approximately 100 pieces of fire apparatus and with dynamite.

No definite estimates as to the loss will be made until insurance adjusters have taken a census of the number of cattle burned, since the fire was confined to the cattle pens which comprise the larger part of the yards.  
The thousands of cattle which were liberated from the pens are being corralled. Owners are finding difficulty in identifying their property as a large percentage of the stock is from farm herds and carries no identifying brands.

The Kansas City stockyards is owned and controlled by a corporation, many of the officers of which are eastern men, and a large amount of the stock is held in the east. Throughout the morning riflemen and slingshot men were under direction of humane society officers, went about the stock yards killing disabled animals.  
Very few swine were burned. The hog pens were reached by the flames but most of the animals were liberated. Late in the morning the fire still smoldered in scores of places.

## PRICES TODAY MUCH CHEAPER THAN IN CIVIL WAR DAYS

(ASSOCIATED PRESS TELEGRAM)  
Chicago, Oct. 16.—Prices of many staple food products averaged about 125 per cent. higher during the first years of the Civil war than today, according to items taken from an invoice of goods sold by S. Hamill and company, wholesale grocers of Keokuk, Iowa, to R. J. Jacobs, a retailer, June 22, 1862.

The old invoice which was discovered here today by a student of food prices was compared with present prices and caused considerable discussion among grocers and commission men.  
Sugar in those civil war days sold for \$58 a barrel, rice, \$31.35 a barrel, tobacco at more than double the present price and tea at \$161.52 for a 25 pound chest. Twenty-five pounds of the same grade of tea today may be bought for \$18.90. Coffee also was nearly four times as high as the present.

The same bill of groceries and sundries that then brought \$644.14 may be bought today for \$281.61. Naturally rice, sugar, cotton and tobacco, products of the south were unusually high in the north during the civil war and transportation facilities for bringing tea and coffee to this country were not what they are today.

Many of the articles sold then are handled in different forms today. Some commodities such as macaroni and codfish were cheaper then than now. Paper bags were higher in those days despite the present high cost of paper.

HUNT NEGRO BANDITS.  
(ASSOCIATED PRESS TELEGRAM)  
Cleveland, Oct. 16.—Cleveland police have been asked to search for six negroes who are believed by Akron officials to have come here after holding up trains and shooting two of them. The wounded men are dying in an Akron hospital, according to the police. The thugs robbed one of their victims of \$360, and another of \$35.

JOFFRE PRAISES  
WORK OF YANKEES  
IN FRENCH DRILL

(Continued From Page 1)  
General John J. Pershing you are getting ready to face the enemy. Guided by that eminent chief, guided by the zeal with which your great new armies are being perfected, you will move forward to the laurels and glory before you.  
"All the news I have from America is to the effect that there as well as here, you are working in the same manner. Guided by such men as General Pershing, your secretary of war, Mr. Baker, and your chief-of-staff, General Bliss, you are rapidly going ahead and I am confident our enemy will see before him one of the most formidable war machines which could ever be imagined."  
American cheers were given for the marshal who acknowledged them graciously. He was dressed in the familiar blue coat and red breeches, such as he wore in America.  
General Pershing's warning against approaching too closely to the place at which the giant bombs were being thrown proved to be timely, for later several splinters fell not a great distance from the party. In their tour today, Marshal Joffre and General Pershing traveled at least 200 miles.  
At the end of the day the marshal said to the Associated Press: "I have been highly gratified by what I have seen today. I am confident that when the time comes for the American troops to go to the trenches and meet the enemy they will give the same excellent account of themselves in action as they did in practice today."

ELECTRIC IN COLLISION  
WITH FOURTH STREET CAR

An electric machine driven by Mrs. William R. Bentley, of 271 Hudson street, collided with the North Fourth street car at the corner of Locust street and Hudson avenue this morning.  
Mrs. Bentley was driving east on Locust street and the car was about to make the turn at Locust when the collision occurred. Mrs. Bentley escaped with minor bruises, but the front of the machine was badly damaged.

A circular can be mailed with a one-cent stamp. In fact a thing that is circular can have but one centre.

RHEUMATISM LEAVES  
YOU FOREVER

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.  
Evans' Drug Store who you all know is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.  
Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and where the patient was helpless.  
Allenru relieves at once. Immediately after you start to take it, the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.  
It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.  
Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers their worst case of rheumatism. He has instructed Evans' Drug Store to guarantee it in every instance—Adv.

HEIRESS OF FLAGLER MILLIONS  
RESTING ON HUSBAND'S ESTATE

Mrs. Louise Wise Lewis with her husband on the latter's estate in West Virginia.

Mrs. Louise Wise Lewis, niece of the late Mrs. Robert A. Bingham whose recent will was contested by relatives, has been resting on her husband's estate at White Sulphur Springs, W. Va. Mrs. Lewis, whose husband is Mr. Lawrence Lewis of Cincinnati, inherited the major part of the famous Flagler millions from her aunt.

LAFOLLETTE ASKS  
WHO DOUBTS WORDS  
OF ST. PAUL SPEECH

(Associated Press Telegram)  
Washington, Oct. 16.—When the senate committee investigating Senator La Follette's much discussed St. Paul speech began its first hearing today, Senator La Follette presented a formal demand that the committee submit a formal copy of the charges against him and that he be permitted to summon and cross examine witnesses. This delayed the start of the proceedings as the committee went into executive session to consider the demand.  
Senator La Follette presented his demand in a letter which declared he believed every statement in his St. Paul speech was correct. The committee has said it does not question the accuracy of his speech and Senator La Follette demands to know who does.

When adjournment was taken after the executive session, Chairman Pomeroy announced that because of Senator La Follette's refusal to furnish information the committee would endeavor to get it from other sources. Asked if any arrangements had been made to hold hearings the Ohio senator replied that none had been made.

TWO BRITISH BOATS  
SUNK SAYS REPORT

(Associated Press Telegram)  
New York, Oct. 16.—A report that the British steamships Memphis, of 6,305 tons gross, and the Bostonian, formerly the Cambrian, 5,200 tons, both of the Leland Line, had been sunk, reached here today. At the offices of the International Mercantile Marine it was said that this had been heard as a rumor, but that no definite information as to the sinking of either ship had been received. Both vessels were formerly in trans-Atlantic trade, plying between Boston and the English ports.

CORRESPONDENT WHO WAS  
WITH COXEY'S ARMY DEAD

Pittsburg, Oct. 16.—Colonel Austin Beach, managing editor of the Pittsburg Dispatch, and for many years one of the best-known newspaper men in Pennsylvania, was found dead at his home here today of apoplexy, when a member of the family sought to rouse him for breakfast. Colonel Beach, who was 62 years old, was one of the newspaper correspondents who accompanied the Commonwealth army of "General Coxe" on its march from Massillon, O., to Washington.

Easy to Keep Awake.  
If every person knew that it is impossible to shut if one keeps his arms under water and moves his legs as if he were going upstairs, and that one may keep this motion up for hours before fatigue ends, it is a fact. Except where cramp renders motion impossible the man who gets an involuntary kicking has small chance of drowning. He can generally keep afloat until rescuers appear. The people who drown are those who from timidity wave their arms out of water and lose their self possession.

THIEF MAKES WAY  
WITH NEW FORD;  
POLICE ON HUNT

A new Ford touring car owned by John W. McCracken, living two miles north of Flint Ridge was stolen Monday afternoon from the parking place opposite Hotel Warden, next to the court house park. The machine was stolen a short time after it was parked on the street and though a prompt search was made for it, the police have not succeeded in locating it.  
The car bore state license tag No. 290656 and the engine number was 1912626. The glass in the left side of the wind shield was cracked. Mr. McCracken has offered a reward for the recovery of the car.

BRITISH BOMBS DESTROY  
GERMAN SHELL DEPOT

(Associated Press Telegram)  
London, Oct. 16.—British airmen in their recent attack on the Belgian town of Roulers caused the destruction of an arsenal in which was quartered a newly arrived German regiment. This information was contained in a dispatch from Amsterdam to the Central News Agency and was reported by a trustworthy correspondent on the Dutch frontier.  
One of the first incendiary bombs dropped struck the arsenal which immediately burst into flames. The confusion was added to by airmen who, descending to a low altitude, used their machine guns freely, thereby increasing the casualty roll, which the correspondent said was enormous.

WILL PRESIDE AT  
BIG WAR MEETING

Mrs. Thomas J. Preston, Jr., of New York will preside at a mammoth mass meeting soon to be held in Carnegie Hall, New York, by the National Security league and to be called the "woman's war service meeting." Similar meetings throughout the country with prominent speakers in attendance are planned by the league.

EARLY PEACE VITAL  
TO WORKING CLASS  
SOCIALIST HOLDS

(Associated Press Telegram)  
Copenhagen, Oct. 16.—Field Marshal von Hindenburg and General Ludendorff have received leaders of the German Trades Unions who laid before them complaints against the regulations issued by department heads of the army limiting, or in some cases, paralyzing the freedom of the unions. The outcome of the conference has not been announced, but the Vorwaerts of Berlin believes that the grievances of the unions will be investigated.

(Associated Press Telegram)  
Amsterdam, Oct. 16.—In his speech at the Wurtzburg convention Herr Ebert, president of the German socialist party said speedy conclusion of peace was a vital necessity for workmen in all countries and that the policy of a mailed fist would disappear, after the frightful horrors of the war.  
"If a ballot were taken today," he added, "nine tenths of the people would approve peace by agreement."  
Herr Scheidemann, referring to the Capelle incident, said that unfortunately it could not be discussed in public.  
"The fact is," he continued, "that if they wanted to catch all who were connected with similar incidents, they would have to take action against three hundred persons simultaneously. Every day soldiers come to us with complaints and we have opened a special bureau to investigate the matter. The main thing is not to talk or write about grievances but to combat them."

ROTARIANS HEAR  
GOOD TALK ON  
THE LIBERTY LOAN

Mr. Roy Ballinger, representative of Field, Richards & Company, Cincinnati, who was a guest of the Newark Rotary club today, spoke on the Second Liberty Loan of 1917, and pointed out the necessity of rallying to the support of the effort. At the conclusion of Mr. Ballinger's splendid address at the club at the suggestion of Chairman W. C. Metz, voted unanimously to give its best efforts towards success of the loan in Licking county. The members pledged themselves to give a day to the work through country districts. Mr. Metz says that to date \$225,000 worth of these 4 per cent bonds have been subscribed in this county. The village banks throughout the county are reporting splendid progress. In the first loan Licking county was asked to subscribe \$475,000 and when the campaign ended the total was \$575,000. Mr. Charles Lindroth became a member of the Rotary club today.

WILSON APPEALS TO  
BANKERS TO HELP  
MASS GOLD RESERVE

(Associated Press Telegram)  
Washington, Oct. 16.—An appeal by President Wilson to the eligible non-member state banks and trust companies of the country to join the federal reserve system is relied upon to effect a general and speedy wartime consolidation of the nation's gold resources. The expected universal compliance with the president's call will mean the mobilization of more than three billion dollars in yellow metal under the supervision of the federal reserve board, and a tangible assurance of America's financial stability.  
The president's message is addressed to more than 8000 financial institutions with resources of between twelve and sixteen billion dollars, whose business is carried on under the sole control of state banking laws. Affiliation with the federal reserve system will bring these companies within the pale of national authority.

FORD BUYS 5 MILLION  
OF NEW LIBERTY BONDS

(Associated Press Telegram)  
Detroit, Oct. 16.—Detroit's Liberty Loan drive received powerful impetus today when it was announced that Henry Ford had contributed \$5,000,000 and that the Ford Motor company had made a similar contribution. Ford's subscription was accompanied by a statement declaring that the United States in making war on Germany did "the best thing that ever happened for the world."  
The announcement of Ford's subscriptions and his statement was made at the noon meeting of the Liberty Loan committee. Detroit has now subscribed more than \$25,000,000 to the second loan.

The Other Side.  
"Young man," said the office manager, "if you know as much about the business of this firm as you do about baseball you'd be holding down my job."  
"I know that," replied the office boy. "And if you'd make your business as interesting as baseball you'd have kids begging for a chance to work for you and willing to pay for the privilege."—New York World.

He Knew How It Felt.  
The Teacher who belittled Samson's hair and all his strength went out of him. Now, when did Samson's strength go out of him? You may answer, Willie, Willie—I guess it was when he beat himself in the glass.—Cleveland Plain Dealer.

No, Maude, dear; there is no reason why a woman shouldn't go into second mourning for her first husband.

**THE Detroit ELECTRIC**  
Today's Car of Utility and Economy

**A Big, Powerful Car of Smooth Performance**

Especially is the Detroit Electric a powerful, able car.

Its large battery capacity will deliver eighty to ninety miles per charge, which is in excess of a motor car's daily travel.

It gives smooth performance all of the time.

There is never any jerking or puffing when getting under way, and never any complete stop when emergency demands that you move quickly.

It "picks-up" swiftly and briskly.

Just advance the controller handle by a slight forward pressure and you are off at top speed. There are no gears to shift.

It is astonishingly flexible. Its many speeds, quick response to controller movement, and powerful, easily operated foot and controller brakes, take you through the most congested traffic with ease and safety.

It handles lightly and easily. Ball bearing steering mechanism, careful weight distribution and lever steering control, assure the handling of Detroit Electric Cars with no laborious physical exertion. Even a young girl can drive it with safety and certainty.

It is a man's car, a woman's car, and a wonderful all-year car for the entire family.

It is never cranky in cold weather—for it has no engine to chill, nor radiator to freeze.

You are overlooking modern advancement in motor cars if you do not investigate these facts.

**Wrist Watches in War.**  
Why all officers wear wrist watches in trench warfare was explained by an army official. He described an advance from the trenches as an illustration, telling how every move was made on a prearranged schedule, the artillery throwing a curtain of fire for a certain number of seconds, while the infantry advanced twenty yards, then lifting it to twenty yards further ahead, while the artillery made another advance, and so on.  
"All this shell fire," he said, "is being done by artillery far behind. The artillery officer depends most of all upon his watch. He sits with a telephone glued to his ear and field glasses in his hands. He has no time to be fumbling for his watch. A minute's error in changing the range would mean that the shells would be falling into his own advancing troops. Nor has the officer leading his men across No Man's Land any time to be fumbling for his watch."

**LEGAL NOTICE.**  
Grace E. Kindig, whose place of residence is unknown, will take notice that on October 8, 1917, Robert M. Kindig filed his amended petition in the case of Robert M. Kindig vs. Grace E. Kindig, et al., No. 18877 in the Common Pleas Court of Licking County, Ohio, in which he asks to be divorced from said Grace E. Kindig because of gross neglect of duty and adultery on her part, and also asking that said Robert M. Kindig be awarded alimony and that said Grace E. Kindig be barred of any and all right, title, claim or interest in or to lot No. 882 in Bazzer & McGrunder's Maple Grove Addition of lots as shown in Vol. 4, page 1, of plat records of Licking County, Ohio, and that any interest she may claim in said property be adjudged to him, and for all other proper relief.  
Grace E. Kindig is required to plead to said amended petition within six weeks from this ninth day of October, 1917, or the allegations thereof will be taken as true.

## IT'S YOUR LIVER! YOUR BILIOUS, HEADACHY, SICK!

Don't Stay Constipated With  
Breath Bad, Stomach Sour  
or a Cold.

Enjoy Life! Live Your Liver and  
Bowels Tonight and Feel  
Fine.

Tonight sure! Remove the liver and bowel poison which is keeping your head dizzy, your tongue coated, breath offensive and stomach sour. Don't stay bilious, sick, headachy, constipated and full of cold. Why don't you get a box of Cascarets from the drug store now? Eat one or two tonight and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. You will wake up feeling fit and fine. Cascarets never gripe or bother you all the next day like calomel, salts and pills. They act gently but thoroughly. Mothers should give cross, sick, bilious or feverish children a whole Cascaret any time. They are harmless and children love them.

## NO PASSENGER BUS SERVICE IN SIGHT FOR RESIDENTS OF GRANVILLE STREET

Granville street residents, who have for years desired some form of transportation to the downtown districts still are denied that convenience by the action of council last night in failing to act upon the proposed franchise ordinance which would place a bus line on the street. Homer C. Batch, who applied for the right to operate a line on the street, did not care to accept it without getting the exclusive privilege. "There is not enough business on the street to divide with others," Mr. Batch explained in withdrawing his request for the action.

The law committee in a report explained that it was beyond the authority of council to grant exclusive privilege for the use of the streets for such purposes. The committee also recommended that if more than one person asked for the privilege that it be sold to the highest bidder. The recommendation suggested that bond in the sum of \$1000 be required of the bus line owner, to be forfeited if he failed to give the service specified in the measure.

This \$1000 bond coupled with the investment in the rolling stock was more than the business justified, in the opinion of Mr. Batch and the request was withdrawn. The ordinance was laid on the table and probably will be acted upon at the next meeting as Councilman Seward advised the city law makers that another individual was circulating a petition among Granville street residents asking for passenger bus service and this petition probably would be presented at the next meeting.

Councilmen were driven from their quarters last night by a resolution adopted allowing the city firemen use of the council chamber while repairs are being made to the fire station, authorized at the last meeting of council. Repair work probably will be started Wednesday morning and as the entire east wall of the building must be removed, other sleeping quarters must be provided for the firemen. They will use the council chamber and if the work is not completed before the next meeting, council members will meet in the mayor's court room.

Before the close of the meeting last night, council adopted a resolution inviting Messrs. Edward Kibler, Sr., and F. A. Bolton to meet with council for a conference as to fees for the attorneys in the gas case which soon will come up for hearing. The case is one involving the disposition of that portion of the escrow fund which was held up by court order pending the decision on a new question raised by the gas company.

Thirty minutes behind schedule time in getting started, council made up part of lost time by dispensing with the reading of the Journal. All councilmen were present when roll was called. The auditor reported the opening of bids for \$72,000 worth of special assessment bonds. The street committee recommended delaying the paying of South Third street until spring and asked further time on the proposed change of the name of German street to Pershing street. The committee also recommended a number of street lamps and that Kibler street be opened up as quickly as possible.

The law committee recommended that a permit for one year be granted to operate a motor bus in Granville street and that licensee be required to give bond in \$1000. The committee also recommended that Messrs. F. A. Bolton and Edward Kibler, Sr., be invited into a conference with council relative to fees required for assisting the city solicitor in the gas case.

Mayor Bigbee reported to council that he had appointed Max Norpell as library trustee to succeed Edward Kibler, Jr., Prof. O. J. Barnes and

Mrs. C. C. Metz, to succeed themselves.

City Engineer Wells submitted an estimate on a proposed sewer in an alley between Fifth and sixth streets in the rear of the high school.

Channel street residents, Robert Beene and 12 others asked council for a street light, Channell and Fourth streets.

The state health board in a letter to Council advised the city dads that the board still was unable to approve the city's water supply since the chlorine plant was installed. Since the inspection was made a chemical analysis has been made and the water found to be free from Colon bacilli.

An ordinance to issue bonds for \$1000 additional for the repair of the central fire department was passed on suspension of rules.

The ordinance granting to Homer C. Batch a franchise to operate a motor bus line in Granville street was read the second time. Mr. Batch was advised that council could not give exclusive right to operate any one street, and he withdrew his request for the franchise and it was allowed to "ride" on second reading.

The ordinance to issue bonds for new motor fire equipment who read the second time.

An ordinance on third reading to name alleys in East Church street, Bigbee and Sturgeon court were passed.

A resolution authorizing payment of \$20 to D. P. McDonald for damage to McDonald's automobile was adopted.

A resolution awarding to Edwin Brothers, Boston, the \$72,000 worth of bonds for their premium of \$321 was adopted.

A resolution to transfer \$150 to the fireman's relief fund was adopted on suspension of rules.

A resolution to build a sewer in an alley from Fifth to Sixth streets was passed on suspension of rules. The resolution for a sewer in Columbia street between Tenth and Eleventh street was adopted on suspension of rules.

Under miscellaneous business, council heard a report from F. A. Barbour, consulting engineer engaged to view the sewer and water problems of this city. The report was the same as given by Engineer Barbour on the occasion of his visit here several weeks ago. It was referred to the water works department.

## YOUNG PEOPLE OF CITY

### PLAN BIG "HELLO MEETING"

Members of Newark's Young People's societies will enjoy themselves at a "hello meeting" at the First Methodist church next Thursday evening when the following program will be given:

Song—Blessed Be the Tie That Binds.

Remarks—Geo. Devereaux, Pres. City Union.

Mixed Quartet—First Presbyterian church.

Reading—Katherine Whitmer.

Male Quartet—First Baptist church.

Reading—Elizabeth Criswell.

Reading—Florence Harter, East Main Street U. B. church.

Reading—Nellie Ballou.

Song—America.

The social hour and refreshments are to be in charge of the Methodist churches of the city. A jolly time for the entire evening has been planned. A large crowd is expected as every young people's society of the city is invited to attend the the hello meeting.

## THORNVILLE BANKER IS

### CHARGED WITH NON SUPPORT

David S. Foster, farmer and banker of Thornville, was sued for divorce yesterday in common pleas court in Columbus by Josephine Foster.

She charges gross neglect. They were married in October, 1915. A year later, she says, Foster abandoned her, practically penniless.

In her petition she says that Foster is worth about \$75,000, but since their marriage has refused to support her. She has two daughters, aged 16 and 18, by a former marriage. When she married Foster, according to the petition, it was with the understanding that he was to support her daughters as well as herself.

She asks for alimony and restoration to her former name of Murphy.

It is just as well to be guarded in your speech. A sharp tongue cuts no ice.

THIS WAR OF SCIENCE.

Of all the many military projects that our government has undertaken since the fateful April day when we declared war, the most interesting and appealing to the popular mind is the development of the air fleet. This fleet has three functions: (1) Scout work, location of enemy defenses and direction of artillery fire; (2) fighting and driving back the enemy planes that undertake the same purposes over our lines; (3) bombing attacks in the rear.

The first two purposes are necessary but auxiliary to other forces. The third undertaking is new and promises to reach heights of efficiency scarcely touched as yet. The past summer has seen these attacks on a small scale, but we should be able to increase their power and range tremendously.

The trouble with these attacks as now carried on by the English and French, is the limit of the freight carrying capacity of the ordinary type airplane. Three hundred pounds is a common limit of weight that can be carried in the form of bombs, or about 1-2 pounds per horse power.

Airplanes are now being built up to 600 horse-power. A much greater freight carrying capacity is secured in these, estimated at 10 pounds per horse power, such a plane therefore should be able to carry three tons of explosives and to accomplish 20 times the destruction possible from one of the ordinary craft now in use.

SAVING 4,000,000,000 LOAVES.

(Boston Herald.)  
At a recent Boston meeting of the American Chemical Society, Charles J. Brand of the United States Department of Agriculture told the chemists that this country will have to do without 4,000,000,000 loaves of bread during the next 12 months, or a little less than 32 loaves per each person.

"Thirty-nine per cent of the American diet," he said, "is animal food, 31 per cent cereal, 25 per cent fruits and vegetables, and the remaining 5 per cent sugars, condiments, etc."

"According to the United States food administration, there has been a world increase of 115,000,000 head of cattle, hogs and sheep, and partly because of that greatly increased exports of meat from this country. During the three years before the war our average annual exportation was 493,000,000 pounds of meat; during the war year between July 1, 1915, and June 30, 1916, the United States exported 1,400,000,000 pounds, or nearly 1,000,000,000 pounds more. The diversion of this large amount of meat makes it necessary to fall back on other forms of food, while we must furnish to our allies a much greater amount of bread, and make up an actual deficit of 70,000,000 bushels of wheat."

Mr. Brand outlined the work of his department and predicted that when the present survey of food stocks is completed, the United States will have more complete, detailed and accurate information about its food supplies than any country in the world.

THE GERMAN MUTINY.

(Springfield Republican.)  
There is every reason to suppose that the German government, having full control of information and of the press, is responsible for the version according to which the crew of the battleship Westfalen threw overboard the captain, who was drowned, and that when the marines refused to fire on the sailors, soldiers were ordered to arrest the crew. The crew of the Nuernberg is said to have seized the officers and headed for Norway, surrendering only when overhauled by torpedo boats. Whether the government inspired the report that the Kaiser ordered every seventh man to be shot and that Chancellor Michaelis succeeded in saving all but three is more doubtful—that detail may have been added at Amsterdam.

That the revelation was timed to damage the reichstag coalition in support of peace, in which the Socialists are a strong element, is to be assumed, and to achieve this end the government may have exaggerated the mutiny somewhat in order to give the country a scare. Yet, even allowing for this possibility, the mutiny in the German navy is highly significant, and all the more so for the direct connection with the Russian revolution asserted by Admiral Capelle to exist. It cannot be taken as an index of feeling in the army, for, as has often been noted, naval forces, for reasons not clearly understood, are as a rule more susceptible than armies to radical and revolutionary forces. In the English Civil War the sailors were mainly for the commonwealth, the soldiers in great part for the king. Ten years ago, the Russian navy was a hotbed of sedition, and when the army had been reduced to full discipline, it was still dangerous to send a Russian battleship to sea because of the risk that it might run amuck.

For this reason too much should not be made of the Wilhelmshaven mutiny, which at worst was not comparable with the mutiny of the Naval port of Kiel. Even the German sources we know that the mutiny in the fleet is highly symptomatic of a temper in Germany which might rapidly grow, under favorable conditions, into a formidable menace to Kaiserism. It is for the allies to do what they can to provide those conditions. The discipline of the German people has produced a wonderful appearance of unanimity, but the affair at Wilhelmshaven suggests that discipline may be near the cracking point.

SHORTAGE OF MINISTERS.

(Columbus Dispatch.)  
The theological seminaries are complaining that the attendance this season is far below what it ought to be. Even the Catholic church is finding that the number of young men studying for the priesthood is not adequate for the demands of the church. The war is cited as the reason, but the truth is that for several years the number of persons entering the ministry has not kept pace with the increase in population.

WAR SITUATION.

(Ohio State Journal.)  
There is the fiercest fighting going on in the western front. Germany sees what the allies are after, which is the Belgian coast, and that is the home of the submarine. It will be the business of the German navy to secure the allies get it. It is stretching every endeavor to stop the progress of the allies in that direction. If the Germans fail to do so, there will have failed to stop the feet of the war, and their cause is lost. There will be nothing for Germany to fall back upon. And it happens at this juncture that Austria, Bulgaria and Turkey are tired of the war and are seeking an opportunity to get out of it. The indications are that the opportunity will come soon. It will, doubtless, come about the time the United States with half a million men. Everything seems going well on the battle line. Now the great thing will be to see that the results of the war are well taken care of.

THE ADVOCATE'S TRAVELLING POT.

**Spirit of the Press**  
The rapid rise in the price of silver has attracted wide attention, because of the disturbance it has caused in countries largely using it in their monetary systems. With unwonted flippancy, a staid financial publication recently remarked that the "Mexican dollar is worth more dead than alive." Translated into plain English this means that a Mexican silver dollar is worth more when melted into bullion than when used as money. The same situation is worrying India, Russia and China. The United States is in a somewhat better position. There is little comfort in the situation for the bimetalists, for it is a striking illustration of the fact that there can not be two standards of value, particularly in days of quick communication. The undervalued metal will retire from circulation, because it is worth more as a commodity. There can never be such a thing as a "stable" currency in a world of flux, but it is even more apparent that there can not be two measuring sticks of value.—St. Louis Globe-Democrat.

**Pensions for Clergymen.**  
The future of Episcopal clergymen whose salaries are modest will not be precarious as it has been, for the campaign that opened a year ago for a pension fund for those on the retired list has been much more than successful. The aim was to raise \$7,000,000, but \$8,712,000 has now been subscribed and of this \$5,164,000 is already in the hands of the treasurer, J. P. Morgan. The fund is the largest of its kind ever raised, an adjunct to the Red Cross fund of \$100,000,000. It is the largest charitable fund ever gathered in this country for one purpose. It is indisputable that clergymen in general are not higher paid, and the large calls upon them for contributions to religious interests and for charity, the requirement that they maintain a decent standard of living, their proper ambition that their children shall receive a superior education, and the considerations, make it fairly certain that they will know something of the struggle of life.—Roche for Democrat-Chronicle.

**Unity League Justified.**  
Among the countless organizations formed and forming to discuss and deal with conditions arising from the war the latest, the League for National Unity, seems to have an exceptional justification for its existence. Undoubtedly even among patriotic Americans there is some need

BRINGING A NEW PILOT

Pointed Observations

It is going to take a long time for Wilhelm to destroy London at the rate of nine civilians a day.—Indianapolis Star.

Comptroller of the Currency Williams estimates the wealth of the nation at \$250,000,000,000 and its annual income at \$10,000,000,000. It's

a good thing Congress didn't know this.—New York World.

Judging from the way he's fulminating about it, it seems safe to conclude that the Bolo Pasha episode has scared Mr. Hearst pretty badly.—Charleston News and Courier.

"Railway embankments and bridges must not be touched" in the United States, ordered the German

General Staff. That would arouse the public and lead to war. But American munitions works must be blown up. That could be laid to "accident."—New York World.

Italy is already full of projects for capturing the transatlantic trade after the war with the big Capronis, but before that competition begins there is a pressing need for airplanes to help in winning the war.—Springfield Republican.

**Where do you see the best Wood Finishes?**  
Isn't it on the fine furniture, pianos and talking machines? THINK.  
When convinced of this bear in mind that

**MARIETTA STAINS**

stand pre-eminent with manufacturers of the above articles and have therefore made good in a big way in the most exacting wood finish field.

Also remember that this fact makes it more practicable to have your interior wood work to match exactly any standard furniture finish.

Consult your painter. Insist that he make an unbiased test of "Marietta" stains and there will be no doubt as to his verdict.

## ABOUT PEOPLE

Mrs. W. E. Shrontz is spending the week visiting friends in Indianapolis, attending several social affairs given in honor of Miss Hallean White, whose wedding will be the 20th of October at First Friends church. Mrs. Shrontz will be married to Miss White, who visited Dr. and Mrs. Shrontz two years ago and many of Newark Young people are her friends.

M. J. Reese, H. A. Atherton and Clyde M. Hare are in Chillicothe today.

Ross Jenkins, member of Battery B, Camp Sherman, was home Saturday, arranging to ship his barber equipment to Chillicothe.

Tom Stahler of Pittsburg, Pa., is in the city today on business.

Mrs. Geo. Upson, Hudson avenue, was called home from Canton, where she was visiting, on account of the death of her grandmother, Mrs. Sarah Smith.

Mr. and Mrs. Russell Haycock, accompanied by their daughter Pearl and son John, are spending the day at Camp Sherman. Gerald Haycock, who is at the camp, expects to be transferred soon to the national army camp in Texas.

Mrs. Ernest Thompson and children of Worthington are visiting Mrs. Thompson's mother, Mrs. Sam Burrell of South Fourth street.

Mr. and Mrs. James Martin, Mr. and Mrs. Fred Taylor and Mrs. G. W. Andrew and son were visitors in New Lexington on Sunday.

the penitentiary. The sentence was suspended during such time as defendant pays the sum of \$3 a week for the support of the child, and enters into bond for that purpose.

### Court Notes.

In the case of Mary Crist vs. Andrew Crist, a suit for divorce, the court dismissed the petition.

N. A. White vs. Howard S. White. Motion filed for temporary alimony pending the suit. Attorney fee ordered paid, and order made as to house rent.

E. H. Davis vs. Chas. Haddix. Plaintiff is a non-resident of the state. Judgment of dismissal for failure to comply with former order of court directing plaintiff to give security for costs.

Otis D. Stewart vs. Licking Laundry Co. Leave given to file reply instantly.

Myers vs. Myers. Leave given to file reply in 10 days.

Leonard O. James vs. Stella Swan and Lucy Blackburn. A petition in error from probate court. Petition in error dismissed.

Chas. B. Hottinger vs. John W. Shannon. A suit for services. Motion to make petition more definite and certain submitted to court.

Clerk Leo T. Davis has made and had printed a new assignment of jury cases beginning this morning.

### Partition in Real Estate.

J. Garfield Hughes, has filed suit in common pleas court against John R. Hughes and others for the partition of a parcel of real estate.

### PRACTICAL HEALTH HINT.

Offensive Breath.  
When the breath is offensive and the tongue coated it is time to make a reduction in the daily rations. Meat, eggs and sweets of all kinds should be omitted for a few days and only fruit and bran bread eaten. A diet of just fruit and bran bread and with milk as the only beverage soon corrects the conditions which caused the coating of the tongue and tainting of the breath. Plenty of water should be taken between meals. Eight or ten glasses a day are needed to freshen and cleanse the organs of digestion. There is need usually for a laxative medicine every day too. This may be citrate of magnesia or a dose of roche salts (two teaspoonfuls in a glass of cold water) upon rising in the morning. If there is hunger between meals apples or other fruit may be eaten to relieve it.

The Serene Uninformed.  
"What a man doesn't know doesn't hurt him," said the superficial philosopher.

"No," replied the cynical statesman, "but if he gets into a responsible position what he doesn't know is likely to hurt a whole lot of other people."

—Washington Star.

## SOCIAL EVENTS

(Society Editor, Auto Phone 22122.)

The marriage of Mr. Verner E. Brokaw, a bank cashier of Centerburg to Miss Margaret M. Ford, was celebrated this morning at 608 Oakwood avenue, Columbus, the home of the officiating minister, Rev. A. L. Brokaw, pastor of the Oakwood Avenue M. E. church.

The marriage of Lieut. Charles C. Starrett of Camp Sherman and Miss Elizabeth Spencer, 69 Granville street, will take place at the First Presbyterian church at 10 o'clock tomorrow morning, the Rev. Calvin G. Hazlett, officiating.

Newark friends have received invitations to the wedding of Mr. Edward W. Crayton and Miss Lindsey Walker. The ceremony will take place on Wednesday, October 31st at 6 o'clock in the evening at Saint Andrew Episcopal church, Louisville, Kentucky.

Mrs. Paul Meek, daughter of Mr. and Mrs. Carl Norpell, will leave tomorrow for Montgomery, Ala., Lieutenant Meek being stationed now at Camp Sheridan.

Mrs. T. K. Stewart entertained the members of the Krochka club on Wednesday afternoon at her home in Riley street. The afternoon was pleasantly spent in crocheting, and in the contest the prizes were awarded to Mrs. William Weimer and Mrs. Peters. A dainty luncheon was served by the hostess. The next meeting will be held at the home of Mrs. William Weimer in Main street on October 17.

The Country Cycle was entertained Friday evening by Mr. and Mrs. James Loughridge of Sharon Valley. The guests came masked and the evening was spent in Hal-lowne games which were highly entertaining. A delicious luncheon was served late in the evening.

The Ladies Auxiliary, Knights of St. John, will entertain their members and friends with a Halloween party Wednesday evening, October 17 at the Knights of Columbus hall.

Mr. and Mrs. W. V. Davis and children, Williametta and Oliver, of National Roads, served a delicious luncheon, Sunday, previous to their departure to California to spend the winter.

The guests were: Mr. and Mrs. Edwin Haughey, Miss Cora E. Haughey, Mr. and Mrs. D. B. Bell, Miss Marie Bell, Clarence Roe, Mr. and Mrs. E. M. Larason and children, Mildred and Virginia, and Mr. and Mrs. O. C. Larason; all of this city.

Miss Florence King will give her second Twilight Organ Recital, Wednesday afternoon at 4 o'clock, at the Second Presbyterian church. Concert Piece..... Faulke Indian Summer..... Brewer Caprice..... Lemaitre Elgie..... Massenet Grand Offertoire..... Delhier Daybreak..... Spinney At Evening..... Dudley Buck Intermezzo..... in the Land of the Skyblue Water..... Cadman War March of the Priests..... Mendelssohn

The Colonial Sewing Circle will meet at the home of Mrs. Henry Rinehart, 437 Maple avenue, Wednesday afternoon at 2 o'clock.

The First West Newark Bible study met at the home of Mrs. B. E. Snyder, 193 Mahoning street, Friday afternoon. The regular program was given and the next meeting will be held Friday afternoon at the home of Mrs. Cooper, 27 North Pine street.

The members of the Trinity Bible class were entertained at the home of Mrs. Geary Cooper, 27 North Pine street, Thursday afternoon.

After the business of the meeting the class adjourned to meet at the home of Mrs. Thomas, West Main street, the second Thursday in November.

Mr. and Mrs. Charles Haudenschild entertained the members of the Neal Avenue M. E. choir, Monday evening. (Mr. Haudenschild, who has been choir-leader for the past year, is leaving for Canton to resume an old position there. The hours were devoted to games, music and contests.

The Recreation club is entertaining with a dancing party this evening in the Knights of Pythias hall.

The members of the Wednesday Luncheon Bridge club will be entertained at the Mountbuilders Country club on the club day, with Mrs. E. C. Wright as hostess.

The following people are in Columbus today attending the National Council of Congregational churches, being held there this week: Mrs. Elizabeth Eagy, Mrs. W. S. Boggs, Mrs. Jud Keller, Mrs. Hugh Ellis, Mrs. J. B. McVey and Miss Ollie Miller.

Miss Helen Bradley entertained a few friends informally at her home in North Fourth street on Monday evening. The hours were devoted to dancing.

The W. W. M. S. club met at the home of Miss Etta Wells, Thursday evening.

After the business meeting, the evening was spent in needlework. Music was furnished by Miss Estella Rothwell. A dainty luncheon was served the following members: Misses Laura Gibbs, Helen Crawford, Nellie Skipton, Estella Rothwell, Goldie McPeck, Eva Chism and the hostess.

HEAVILY OVERSUBSCRIBED.  
(Associated Press Release)  
Washington, Oct. 16.—The government's latest offer of certificates of indebtedness, \$300,000,000 at four per cent, has been heavily oversubscribed.

MURINE EYE REMEDY CO., CHICAGO

### Our Boys and Girls

In a family composed for the most part of boys the girls often make life miserable for them by selfishly appropriating the chief pleasures for family should be brought up in the same way, and what is right for one should be considered right for the other.

Little disputes in regard to family rights should be decided on their merits and not with regard to sex. Boys should be taught to protect their sisters, but should not be allowed to cater to their wishes when these are inspired by pure selfishness.

The boy realizes that the other children are prepared to take advantage of him and the instinctive habit of self protection, common to all animals, makes him resent the attempt. In his efforts to maintain his own rights he is very likely to become insistent and dictatorial and he will not hesitate to take advantage of the fact that he is younger than the others and so under the protection of his elders, who he feels certain will be on his side, in the discussion.

A child is never too young to be taught that he must not be selfish and must ask no more than his rights. This habit of lording it over all his companions may increase as he grows older unless a wise mother can reason him out of it.

Pretty Girl Missed Her Train

### Milady's Boudoir

Reducing the Bust.  
Probably the flat-chested girl cannot conceive of anyone grumbling because one is overdeveloped through the bust, but her too plump sister can enlighten her as to this. It is my opinion, and I know that many women share it, that a too large bosom is more of a beauty defect than a too small bosom.

What would you say, if I was to tell you to keep your bust tightly bandaged for a few weeks? Would you do so? I hope so, as this compression method is one of the newest ways of acquiring a small bosom.

If you are interested I will tell you how the bandaging should be done. The easiest and most usual way of bandaging the bust is to take a straight piece of cotton cloth and pass it across the back and underneath the arms, bringing the ends together over the breast. The cloth must be wide enough to cover the bosom completely. The two ends of the bandage may be held together by means of tin safety pins, and it is also well to take in what slack exists on either side.

As you will find that this bandage has a wild desire to slip down over the waist, it would be a wise ideal to pass a strip of surgical gauze over each shoulder, pinning

the ends to the breast bandage with safety pins.

This treatment is not quite so simple as it seems, as it will be necessary in order to obtain satisfactory results to tighten the bandage a trifle each day, although you are advised to remove the bandage about every two days, rest the breasts and adjust the bandage again after bathing.

THE reverberation of sound, called an echo, is familiar to everyone, but you will find your echo varies; the difference in location will alter the quality of your voice so much that you may not even recognize it.

Similar to the echo, sound reproducing instruments have always superimposed a tone of their own, thereby altering the original tone. Instruments were sold because of this artificial tone, but the problem for the manufacturer was how to prevent this change of tone. Mr. Edison solved this problem, just as he has many others, and it took four years of his time to develop the New Edison—the only instrument that re-creates sound so perfectly that it cannot be distinguished from the original.

That's why we give tone tests.

## THE COURTS

Suit for Divorce.  
Grace Cupps vs. Floyd J. Cupps. A suit for divorce. The court partially heard the testimony on Monday and continued the case until the defendant made a payment of all money which the court had previously ordered to be paid.

Trials Start November 7.  
Prosecuting Attorney Charles L. Flory announced in open court Monday morning that he had fixed Wednesday, November 7 as the date for the beginning of the trials of criminal cases.

Marriage Licenses.  
James P. Wintermute, a gardener, and Mrs. Phoebe Houdeshell, a nurse, both of this city. Rev. A. B. Cox named to officiate.

Walter Stough, a glass worker, and Miss Elizabeth Castle, both of this city.

James B. Coulter, First Sergeant U. S. Army, and Miss Nellie Coulter, both of Utica, O.

Marriage License.  
Chester W. Smith, 19, glassworker, Newark, and Nellie Bodie, 18, Newark.

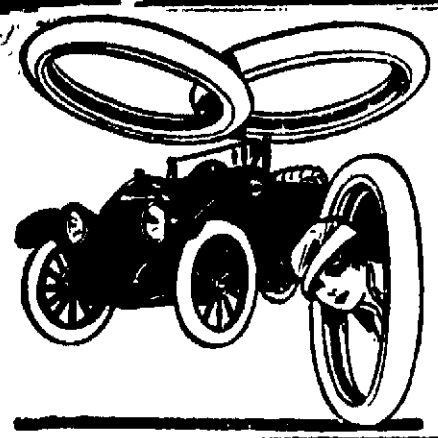

Gets Pen Sentence.  
State vs. Wm. H. Boylan. Indicted for non-support of minor child. The defendant appeared in court and entered a plea of guilty. Prosecuting Attorney Flory made a statement of the facts in the case to the court, and the court sentenced Boylan to

## FAN TAN GUM PROVES MOST POPULAR FLAVOR

Contains No Drugs and Leaves the Breath Truly Sweet and Delightful—Not Strong and Disgustingly Pungent.

Fan Tan Chewing Gum has sprung into popular favor so quickly that everybody is talking about it. Have you noticed that sweet fragrance of flower on the breath of some of your friends? That is the Fan Tan odor. And the flavor—the taste—is just as sweet. None of that druggist medicine taste or smell. No mint, no peppermint, no imitation fruit flavors—just like the blending of flowers into a big bouquet. There are who are using Fan Tan say that no other gum tastes good to them any more—and the more they chew it the better they like it. It is surely a much needed change from the old flavors that have been sold so long and which have become so worn out and stale. Dealers are all stocking Fan Tan—especially at the price in the same as other gums—only five cents. The manufacturers also offer valuable premiums for Fan Tan wrappers. Send for a premium list if you wish to the Bee Bee Confection Co., Dayton, Ohio.

21 W. Church St.

## GIANTS PANNED BY BASEBALL WRITERS; M'GRAW CRITICIZED

Sporting writers from far and near are panning the Giants. McGraw was the subject of discussion among more than 50 writers who journeyed east for the last game, and he was almost unanimously condemned for his failure to relieve Slim Sallee in the Chicago game before the contest was hopelessly lost. They pronounced it the supreme managerial blunder of any world series games.

Writers who witnessed the game yesterday unmercifully panned Heinie Zimmerman for his extraordinary blunder in play in chasing Eddie Collins across the plate for run, when Catcher Ralfeiden was waiting to receive the throw. It was this play which the writers declare took the "zip" from Rube Benton's speed and lost the game.

Jack Ryder of the Enquirer, declares that they have robbed the Brooklyn team of the title of "chess champions," which was conferred by the Giant after Brooklyn's defeat in the 1916 series.

The largest assemblage of spectators to witness any game of the present interleague combat was on hand when the rival clubs grappled in the closing game of the world series yesterday. According to the official figures, 33,969 persons paid admission to the Polo grounds, their contributions totaling \$73,348. Of this sum the stockholders of the two clubs will each receive \$33,006.06 and the national commission \$7,334.80. The players ceased to participate in the game receipts after the fourth game, but they will receive \$152,888.58 as their share, this amount being divided 60 per cent to the Chicago team and 40 per cent to the New York players. The total receipts for the six games amounted to \$425,878, and after subtracting the money paid to the players the two clubs are each richer by \$115,200.81, and the national commission \$42,587.80.

## FITZ TEAM MAKES READY FOR GAME WITH ZANESVILLE

The Fitzsimmons football team will open an intercity series with Zanesville next Sunday at 2:30 o'clock, Wehrle Park.

This series is to determine the championship of Licking and Muskingum counties. All of Newark's old favorites will be in the lineup, including Mike Kieley, the plunging halfback, who has been out for almost two years with a bad kneecap. Other luminaries on the Fitz lineup include Davis, stellar end; Williams and Hinger, guards; Nehls, center. Paul Bowser will most probably hold down his old tackle position. Paul's playing last Sunday was of the sensational variety and, no doubt, this season will be one of the best he has ever seen on the gridiron.

Hutchinson, who will be remembered as the bulwark in Zanesville's defense last year, will play the other tackle. Jackson, whose ability is too well-known for a comment, will play one of the wing-positions. Jenkins, Gilmore, A. Dennison, Sullivan and Kieley, will make up the backfield. Captain Nehls requests the following players to be present for practice tonight at 7:30 o'clock, at the Sixth street grounds: Davis, Jenkins, Bowser, Williams, Jackson, Gilmore, A. Dennison, Kieley, Hinger, Keeley, Hutchinson, Kootz, Keyes, Wallace, Sullivan, Noon, Dunn, Gilbert, Sam Harris, Schimpf, McManus, Brillhart and Conlon.

The rapid pace of the first hour in which sales exceeded 350,000 shares was succeeded by a decided halt. Gains in some quarters were met by further declines elsewhere, the buying power at no time matching the selling.

Coalers, Bethlehem Steel, Texas Company and the tobacco were most susceptible to renewed pressure. Liberty bonds sold at 99.70 to 99.76.

## THE MARKETS

**Cleveland Produce.**  
(ASSOCIATED PRESS TELEGRAM)  
Cleveland, Oct. 16.—Butter, creamery extras in tubs 47 to 47 1/2; prints 45 1/2 to 48 1/2.

Pittsburgh, Oct. 16.—Hogs, receipts 1500, lower. Heavies 18.25 to 18.35; heavy yorkers, 18 to 18.25; light yorkers and pigs 17 to 17.25.  
Sheep and lambs receipts 500, steady. Top sheep 11.75; top lambs 17.25.  
Calves, receipts 200; steady. Top 16.00.

**Cleveland Live Stock.**  
(ASSOCIATED PRESS TELEGRAM)  
Cleveland, Oct. 16.—Cattle, receipts 890, slow, weak. Calves receipts 150, dull. Good to choice veal calves 15.50 to 15.75.  
Sheep an dlambs 1,000, 25 to 50 lower. Good to choice lambs 16.25 to 16.50.  
Hogs, receipts, 2,000; 25 lower. Yorkers 17.75; heavies and mediums 18.25; pigs 16.50; roughs, 17.00; stags, 16.75.

**Chicago Provisions.**  
(ASSOCIATED PRESS TELEGRAM)  
Chicago, Oct. 16.—Butter unchanged.  
Eggs, receipts 8,478 cases, unchanged.  
Potatoes, lower, receipts 68 cars; Wisconsin, Michigan and Minnesota bulk 1.30 to 1.35; do sacks 1.35 to 1.40.  
Poultry, alive, unsettled; fowls 18 1/2 to 20; springs 19.

**Chicago Provisions.**  
(ASSOCIATED PRESS TELEGRAM)  
Chicago, Oct. 16.—Active buying on the part of one of the largest houses on 'change turned corn prices today sharply up grade. Opening figures which ranged from a shade off to 1-2c advance with Dec. 1.12 7/8 to 1.13 1/8 and May 1.08 1/4 to 1.08 3/4 were followed by material gains all around.

The close was firm 1 1/4 to 1 3/8 to 3 1/4 net higher, with Dec. 1.14 1/8 to 1.15 1/4 and May .09 3/4 to 1.08 3/4.  
Rural complaints, car scarcity tended to strengthen oats.  
Absence of selling pressure allowed provisions to rise with corn. A decline in the hog market was ignored. There was a good shipping demand for lard and ribs. Some new buying was based on reports of inquiries from the Belgian relief committee.

**Wall Street.**  
(ASSOCIATED PRESS TELEGRAM)  
New York, Oct. 16.—Many active issues including foremost rails, industries and specialties, made new low records at the feverish opening of today's stock market. Reversals in equipments, metals, oils and tobaccos ranged from 1 to 2 1/2 points but these were partly regained on supporting orders and short covering.

The rapid pace of the first hour in which sales exceeded 350,000 shares was succeeded by a decided halt. Gains in some quarters were met by further declines elsewhere, the buying power at no time matching the selling.

Coalers, Bethlehem Steel, Texas Company and the tobacco were most susceptible to renewed pressure. Liberty bonds sold at 99.70 to 99.76.

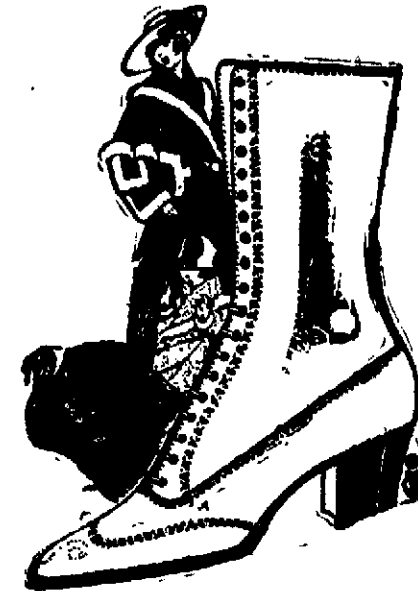

# Fashionable New Gray Boots For Women Are Here In Great Variety of Styles at \$5.50, \$5.75, \$7.50 and \$9.00

Seems as though every woman wants a pair of the new gray boots. True it is that they are very stylish with most any color of dress that she desires. Within the last few days we have received another shipment of very stylish models. These added to our al-

ready large stock of gray boots makes our present stock the largest we have ever shown. As to value, the very best to be had at any price. You practice true economy when you buy these boots.

## FOOTOGRAPH SYSTEM USED HERE

You are just as sure of getting a perfect fitting shoe as though you had your shoes made to order. This is obtained only through the use of the footograph measuring system.

## LICKING COUNTY SOLDIER BOYS

Who can give the present address of Bruce Loudin, a Licking county boy, who is in the navy? Loudin went into the navy several years ago and is said to have re-enlisted last spring. Licking county is his home and The Advocate wants to send him an engraved bronze medal.

Who can give The Advocate the home address of Elroy L. May, who is said to be a member of the Second Engineers Trained Infantry Camp Courchesme, El Paso, Texas?

Wanted the home and present address of Stanton K. King, who is said to be a member of Co. G, 166th U. S. I. Notify The Advocate.

Wanted the present address of Dewey S. Norman, 31 South Sixth street, who is reported to be a member of Battery C, 134th F. A.

Editor of The Advocate I have been transferred from the St. Helena Station at Norfolk to the New Naval Base at Hampton Roads, located on the old Jamestown Exhibition grounds. This station is, or will be when completed the largest in the world. It will now accommodate 30,000 sailors and is being made larger every day until it will hold 50,000 men.

Yesterday at 7 a. m. 1400 men, two battalions and officers assembled on the drill grounds at the St. Helena Station, and then marched through the main streets of Norfolk and then out into open country on the way to the new camp. After we were in the country the men were given the rout step and from then on we had a general good time. Most of us had been penned up in Detention Camp for 3 weeks or more and it was a regular picnic for us.

In all, the march was about 9 miles. When we arrived we were footsore and weary. A flag raising and a parade of the two battalions occurred about 11 a. m. Admiral Dillingmore formally turned over the base to Captain Dayton with a short, but to-the-point speech. There were few visitors allowed to attend this great event. After the ceremonies we stacked arms and were assigned to barracks. Then the great event of the day occurred. "Mess". It sure was a hungry crowd. After mess we arranged our barracks and at 6:30 p. m. marched to the drill grounds where we took up our arms. Then they were put in the armory for the night. I will now tell you how things are arranged. Each company has two barracks, 54 men to each one. The barracks are divided into 6 rooms 15 by 30. 9 men in a room and in the room where I bunk, which is on the end, has five windows in it. There are three lights in the room, two white Mazdas and one red. The red is to show where the fire extinguisher is located. Three extinguishers are furnished for each barracks. A bathroom with shower and washroom to each two companies are situated between the company barracks. I will try and get some pictures of the interior and send them to you as soon as possible.

In the morning we rise at five and at five-thirty is roll call. 6:30 is mess and at 7:45 drill. We drill until 11:00. Then we eat again at 12:00. At 1 we start to drill again and drill until 3:30. Then we are through for the day, except to wash clothes, write or do any thing we wish. We have not started on our regular seaman instruction. After we get our third inoculation, which will be next Thursday we will get down to business. I am intending to change my rating from Apprentice Seaman, to Radio Operator.

There is an aviation school on the grounds and airplanes are flying all the day long. They do all kinds of stunts, looping-the-loop, spirals, roll-planes and many others that I cannot name. There are at least two in the air all the time.

I think that I have told most of the interesting things in the station. Later when I get liberty and out of Detention I can write and tell you more. I hope that you received my letter of thanks which was a very poor one. I'll admit, but I appreciate the service medal. Very sincerely yours, Merle E. Martin, U. S. N. Training Station, Naval operating base, Co. 60, Norfolk, Va.

Wanted the present address of Hubert G. Shotts of Granville. Notify The Advocate.

Editor of The Advocate: I received the medal you sent me and appreciate it as a gift of the patriotic people of old Licking county. Many whom I know are on the list. I am

sorry to say that I do not know any other fellow here from Licking county though there are several from Ohio. The Fifth Engineers is made up of men from every state in the union, and also, several from Canada. In the Mounted Section of C. Co. out of 36 men, there are 12 states represented so you may understand how we are made up. There are three with myself from Ohio. We have just come in from a three day hike and everyone is tired. I received your letter while we were stopping for dinner two days ago, and you may imagine my surprise at its contents. I am enclosing a piece of poetry that was made up by some of us boys. We thought it pretty good so I will give you a chance at it.

**Our Hitch in Hell.**  
I am sitting here a thinking  
Of the things I left behind,  
And I'll try to put on paper  
What is running through my mind.

We have dug a million trenches  
And cleared ten miles of ground;  
A meaner place this side of hell,  
I know is still unfound.

But there's still one consolation,  
Gather closely while I tell,  
When we die we're bound for heaven  
For we've done our hitch in hell.

We have built a million kitchens,  
For our cooks to stew our beans;  
We have stood a hundred guard  
Mounts  
And cleared the camp latrines.

We have washed a million mess kits,  
And peeled a million spuds;  
We have rolled a million blanket  
rolls,  
And washed a million duds.

The number of parades we've done  
Would be rather hard to tell,  
But we'll not parade in heaven  
For we've done our hitch in hell.

We have killed a million bed bugs,  
That tried to take our cots;  
And shook a million centipedes  
From out our army socks.

We have hiked a hundred thousand  
miles,  
And made a thousand camps;  
And pulled a million cactus thorns  
From out our army pants.

And when our work on earth is done,  
Our friends on earth will tell;  
When we died we went to heaven,  
For we done our hitch in hell.

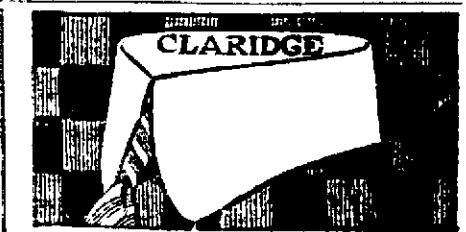

When the final taps are sounded,  
And we lay aside life's cares;  
And we do our last parading,  
Up the shining golden stairs.

And the angels bid us welcome,  
And the harps begin to play,  
And we draw our million content  
checks,  
And spend them in a day.

'Tis then we'll hear St. Peter tell us,  
As he leads us through the gates,  
"Take a front seat Fifth Eng'r's,  
For you've done your hitch in hell."

Thanking you again for your regards, I am very respectfully yours,  
F. C. Powell, Company C, Fifth Regiment Engineers, Camp Scurry, Corpus Christie, Texas.

The Advocate acknowledges receipt of a contribution to the soldiers medal fund from Mr. R. F. Dush.

# Cornell Clothes

## Why I Came Back to the Cornell

"For years I had been paying not less than \$25.00 for my suits and overcoats. That seemed to be a standard price.

"I never saw anything at a lower price that exactly suited me. The main fault was the style and fit. A suit at a lower price never seemed to have the snap and fit of a \$25.00 suit.

"A friend of mine one day last spring asked me to go with him to select a suit. He led the way to the Cornell Store.

"He tried on a suit. I remember it distinctly. It was a grey cloth—the salesman called it 'mountain grey'—an exquisite piece of fabric. The coat was one of those belted models, a style I had never worn, although I had admired it on others.

"As my friend stepped to the mirror I was greatly impressed with the way that coat fitted—how snugly it rested around the collar—how splendidly it hung, both in back and front without sagging or wrinkling, and its distinctive appearance.

"Later I examined the material, the lining and workmanship. Everything was of the very highest quality.

"And when I heard the price, \$15.00—that was the most surprising part of all. I could hardly believe my ears.

"Then and there I decided to try a Cornell Suit. And I bought one.

"Never have I had more satisfaction out of any suit I ever wore than I secured from that Cornell Suit. The style—the fit—the cloth—the service—everything was highly satisfactory.

"This fall I bought another Cornell Suit. Later I will buy an overcoat.

"Just as long as I get as much satisfaction out of Cornell Clothes as I did out of my first one I will continue to buy them."

This man's name will be supplied on request.

That is exactly how we have built up our extensive business. Every suit that we sell brings back the customer and usually a new customer too.

## GERMAN AGENTS IN CHINA FIGURE IN MANY DEEP PLOTS

(Correspondence Associated Press.)

Peking, Sept. 10.—German plots to promote international trouble in China are being disclosed almost daily, and the situation is so serious that China undoubtedly will find it necessary to intern many Germans and Austrians, if not all of them, before the end of the year. The allied ministers are extremely uneasy over the situation.

China with its lack of adequate communication and greater territory, offers a fine field for German plots. For many years German agents have carried on commercial undertakings in Tibet, Turkestan, Mongolia and other interior parts of China. Consequently they speak Chinese fluently and have great influence with the lower classes.

Through the German and Austrian legations in Peking these interior agents have been supplied with money to stir up dissension. They have aroused the Mohammedans in western China by telling them that this is a religious war designed to eliminate Turkey and Mohammedanism. Similar arguments have been used among the Mohammedans in southwestern China.

In Mongolia the German and Austrian agents enlisted many bandits in the monarchical movement and have done everything in their power to undermine the influence of the Peking government. The work of the agitators has been more effective in Mongolia than elsewhere as they have been able to harass the trans-Siberian line by encouraging the Mongolians to move north into Siberia and Manchuria and to attack railway towns.

German propagandists have fabricated many rumors concerning the conditions in Russia and the progress of the war on the western front. They have been able to get these printed very widely in Chinese newspapers, creating much misunderstanding between China and the allies and have prevented the Chinese in many parts of the republic from rendering hearty support to the allied cause.

Much of the German propaganda has been traced directly to the German banks and prominent German commercial men in Peking and Tien Tsin. Both the British charge d'affaires and the Russian minister have warned the leading German intrigues in letters to the foreign office and suggested their internment.

## MOTHER OF REVOLUTION HAS MESSAGE FROM WILSON

(Associated Press Telegram)

Petrograd, Monday, Oct. 15.—David R. Francis, the American ambassador, will deliver in person on Tuesday to Mme. Catherine Breshkovskaya, the "Grandmother of the Revolution," a telegram from President Wilson. The message, which is dated October 12, expresses the president's confidence in the intelligence of Russia.

## TANLAC SUCCEEDS REASON IT LEADS

Story of Master Medicine by Newark Miss Indicates That It Does All Expected and More, Too.

Miss Marie Frazier, 97 Sprague street, Newark, is delighted with Tanlac. The Master Medicine, she acknowledges, proved to be an unusual blood purifier and system cleanser. And more than this! Miss Frazier vows that Tanlac soothed her and gave her sound sleep. She states as follows:

"My blood was in such a terrible condition eruptions broke out all over my face. My forehead and cheeks were covered with them and they itched incessantly. Along with this I felt tired, nervous, weak and did not sleep well. My system was very much run-down. I had heard much of Tanlac, so I began taking it. Before I had taken half a bottle the spots were disappearing. Tanlac just made them go. The medicine worked on my stomach, kidneys, liver and blood, and carried all the humor away. Now I don't have that tired feeling, am not nervous, sleep soundly, and am a whole lot stronger. Tanlac is a deserving remedy."

Tanlac, the new vegetable tonic, stomachic, combatant and invigorant, is being specially introduced at Erman's Arcade drug store. Tanlac may also be procured at the Evans Pharmacy, Warden hotel building, east side square, Newark, and at the Hebron Drug store, Hebron, O.—(Adv.)

## WALL PAPER

One of the most important elements in the art of home-decorating is the Wall Paper. To secure appropriate coverings for the walls of each of the different rooms is by no means an easy task unless left to one who is versed in the art. This has been a study with the Edmiston store for years, and their ability to meet your most exacting wants is unquestionable. They buy direct of those manufacturers recognized as the best and who therefore set the styles. They claim to show the last word in paper-hangings. It

None better. That's what they say about the rubber goods Smith, the Druggist, sells. 16-17

## BREAKS A COLD IN A FEW HOURS

First dose of "Pape's Cold Compound" relieves all grippe misery.

Don't stay stuffed-up! Quit blowing and snuffling. A dose of "Pape's Cold Compound" taken every two hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages; stops nasty discharge or nose running; relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance, tastes nice, and causes no inconvenience. Don't accept a substitute. (Adv.)

## A FINE TREATMENT FOR ASTHMA

WAKES BREATHING EASY  
A Worcester, Mass., doctor has suggested the following simple, harmless and inexpensive home treatment for people suffering from bronchial asthma or chronic bronchitis.

At any reliable druggist's get a bottle of Oxidaze tablets and slowly dissolve one tablet in mouth whenever troubled. Though harmless and pleasant they are so powerful in their action that even in stubborn cases relief will come in just a few minutes.

Many users who for years have been obliged to sit up in bed gasping for breath and unable to sleep report that they now take an Oxidaze tablet when going to bed and can then lie down and breathe easily and naturally and get a good night's restful sleep.

Two prominent local druggists, W. A. Erman and Evans Drug Store, report that they have sold Oxidaze tablets for several years on a positive guarantee to refund the full purchase price of the first package if it fails to give prompt relief.—Adv.

## INDEPENDENCE

You should plan in your early days to save and invest enough of your savings in good municipal bonds so that you will have an income that will take care of you when you become incapacitated by age. There is no safer investment than municipal bonds because they are backed up by all the real and personal property of the municipality that issues them. Mr. D. H. Pigg, 181-2 North Park Place, has been selling municipal bonds to a number of Newark people and he would like to talk to you about investing your savings. 16-17

Your eyesight is more important to you than the small expenditure you will be required to make to have properly adjusted eye glasses. See Haynes Bros. today. 16-17

## DR. BARKER IN SERIES OF LECTURES IN CAPITAL

The physical adviser of former President Taft is to coach Columbus in "health and happiness."

Arrangements have been completed to bring Dr. Chas. E. Barker, Washington, D. C., to Columbus for a "Health and Happiness Campaign Week," beginning November 4. Central Y. M. C. A. is arranging the affair, for the purpose of inculcating sane and modern ideas of healthful living and working among Columbus men and women.

Dr. Barker delighted the Ohio Bankers' Association last year with his lecture and demonstration. He is an expert on physical efficiency.

During his Columbus stay he will give from three to four lectures daily, at meetings for men only, women only and the public, before high school classes and at banquets, of which four are scheduled for civic organizations.

## TELLS DYSPEPTICS WHAT TO EAT

Avoid Indigestion, Sour Stomach, Heartburn, Gas on Stomach, Etc.

Indigestion and practically all forms of stomach trouble, say medical authorities, are due nine times out of ten to an excess of hydrochloric acid in the stomach. Chronic "acid stomach" is exceedingly dangerous and sufferers should do either one or two things.

Either they can go on a limited and often disagreeable diet, avoiding foods that disagree with them, that irritate the stomach and lead to excess acid secretion, or they can eat as they please in reason and make it a practice to counteract the effect of the harmful acid and prevent the formation of gas, sourness or premature fermentation by the use of a little Bisurated Magnesia at their meals.

There is probably no better, safer or more reliable stomach antacid than Bisurated Magnesia and it is widely used for this purpose. It has no direct action on the stomach and is not a digestant. But a teaspoonful of the powder or a couple of five-grain tablets taken in a little water with the food will neutralize the excess acidity which may be present and prevent its further formation. This removes the whole cause of the trouble and the meal digests naturally and healthfully, without need of pepsin pills or artificial digestants.

Get a few ounces of Bisurated Magnesia from any reliable druggist. Ask for either powder or tablets. It never comes as a liquid, milk or citrate and in the bisurated form is not a laxative. Try this plan and eat what you want at your next meal and see if this isn't the best advice you ever had on "what to eat." (Adv.) 23126 Circulation Mgr.

## RUSSIAN EXILES ARE RETURNED; SOLDIERS PROTECTED THEM

(Associated Press Telegram)

Petrograd, Oct. 16.—Mile. Virubova, who has been called "the female Rasputin of Russia," and who was a close friend of the former emperor, has returned to Petrograd with the other exiles sent to Helsingfors, Finland, by the provisional government. They were returned by the council of workmen's and soldiers' delegates of Helsingfors, which refused to permit them to stay in Finland.

Members of the party who were ordered out of Russia on account of their connection with the former imperial family, have been the month in Finland. They spent some time on a yacht of the former emperor in Helsingfors harbor. Mile. Virubova declared that they were always in that the people would attack them. During the latter part of their stay they were kept in prison. Soldiers protected them against the populace, which attacked the prison several times, and the officers, in turn, protected the exiles from the soldiers.

## WAR GARDENS VALUABLE.

(Associated Press Telegram)

Cleveland, Oct. 16.—Cleveland war gardens produced a crop valued at \$319,000. It was announced today, after a meeting of the mayor's advisory war committee. There were 4843 home-gardens listed by the committee. The total acreage, including small gardens and community gardens, was 3190 acres.

## DANDRUFFY SCALPS LEAD TO BALDNESS

If you have dandruff get rid of it quick—it's positively dangerous and will surely ruin your hair if you don't. Dandruff heads mean faded, brittle, gray, scraggly hair that finally dies and falls out—new hair will not grow—then you are bald and nothing can help you. The only sure way to abolish dandruff for good is to destroy the germ that causes it. To do this quickly, surely and safely there is nothing so effective as Parisian sage, which you can get from W. A. Erman and good druggists everywhere. It is guaranteed to cure dandruff, stop itching scalp and falling hair, and promote a new growth, or the cost, small as it is, will be refunded.

Parisian sage is a scientific preparation that supplies all hair needs—an antiseptic liquid, neither sticky or greasy, easy to apply, and delicately perfumed.

Note: Parisian sage positively will not color or streak the hair. 16-17

Prepare for the long winter nights by lighting your home with daylight. Use the Mazda lamps for lighting. The Avery & Loeb Electric Co. sell them. 16-17

## DOCTORS ARE BOOSTING IT

Still the good work goes on, soon there will not be any more tired, nervous people in our city.

This is caused largely by the widespread use of Phosphated Iron, the new tonic and nerve bracer that has sprung into instant popularity with the medical world.

Phosphated Iron will help any run down, nervous condition almost immediately. It will put fresh iron in the blood, the phosphates taking hold of the nerve centers and bracing them up. You will eat better, sleep better, and get up in the morning feeling like doing things; you will feel the old-time vim and snap of your curlsing through your veins; you will take the day's work with confidence and a smile.

Science has taught us that when we have enough Iron and Phosphorus in the blood and nerves we are healthy; that almost all conditions of ill-health and nervousness are due to the lack of Iron or Phosphorus. Phosphated Iron rarely fails to supply the needed amount of both.

Use Phosphated Iron one week and you will forget you were ever nervous, tired out and run down, you can feel it taking hold.

Special Notice.—To insure physicians and their patients receiving the genuine Phosphated Iron we have put up in capsules only, so do not allow dealers to substitute pills or tablets; insist on the genuine, in capsules only. Evans Drug Store, Newark, and leading druggists everywhere. (Adv.)

## WISE BORROWING

Before borrowing it is wise to consider not only the cost but the Terms of repayment. In this respect we offer the Twenty-Payment Plan for your consideration. This plan permits you to borrow money at the legal rate of interest and repay in twenty small monthly payments. You may repay the loan in full or in part at the end of any month—Interest is charged only for the actual time the loan is carried.

\$2.50 monthly payment on \$50.  
\$5.00 monthly payment on \$100.

Come in and ask for free folder entitled "The Twenty-Payment Plan" which explains everything in detail.

We loan on Furniture, Pianos, Victrolas, Live Stock, Etc., Etc. Prompt, courteous, confidential service.

Call, write or phone: Auto 1427

## AMUSEMENTS

### ALHAMBRA.

Tonight.

Edna Goodrich, widely celebrated as one of the original sextette in "Floradora," though her best work was done in Nell Rathvon in "The Girl of the Year," and as leading woman with Nat Goodwin in "When We Were Twenty-one." With Charles Frohman as her mentor Miss Goodrich created a sensation as Felicia in "The Rollicking Girl," and as Nell Graham in "The Genius and the Model." She was equally successful as Madge Kederly in "What Would a Gentleman Do?" and as Grace Morton in "The Easterner."

Wednesday and Thursday.

When "The Marriage Market" comes to the Alhambra Wednesday and Thursday the patrons of this theatre will have the opportunity of seeing the latest World-Picture Brady-Made in which Carlyle Blackwell and June Elvidge are the stars and in which Arthur Ashley is in the cast. "The Marriage Market," as would be presumed from the title, is a story of New York society life. The characters are nearly all society people and the heroine is a debutante who does not realize the real value of money until financial disaster comes to her father.

LYRIC.

A packed house of pleased patrons greeted the Byrne and Bryne comedy company at the Lyric last night, and a week of big business seems assured. The company of ten members put on a very creditable musical comedy, with headliners and pony chorus, entitled "Kodak Girls." The

titful young society matron, much in love with her young broker-husband, has a chance to display her beauty and charm as well as some beautiful gowns and jewels. The two have arrived at a point in life where success and happiness seem sure for the future, when a shos in the closet begins to battle its bones. Stratton in his youth has committed a petty theft and has made a written confession of it. The confession, in the hands of an unscrupulous detective stool pigeon, is used as a blackmailing lever to get Stratton to flinch an incriminating paper from his host, Worthington, with whom he and his wife are spending the week-end on Long Island.

The picture "A Bed Room Blunder" slated for screening at the Auditorium Sunday arrived early yesterday and if laughs count, then this picture sure made good at this house yesterday, for hundreds were kept in laughing mood for the entire two reels. This two reeler, Mack Sennett's first Paramount comedy, is held over for today.

The Slacker.

One of the best features so far shown in Newark in "The Slacker," a Metro seven-reel masterpiece, written and produced by William Christy Cabanne, with Emily Stevens in the title role. It is a powerful patriotic feature, and the story gives a nice contrast between the brother who enlisted and the one who married so that he could not be drafted. The action is developed in such a manner as to prove that the slacker really was courageous physically, this being demonstrated early in the

work of the principals took well and the special vaudeville novelties evidently tickled the big house. The female impersonations of Billie Byrne were good. Wednesday matinee a 21-piece dinner set will be given to the lady holding the lucky number.

### AUDITORIUM.

Tonight.

Crowds yesterday crowded the Auditorium and Pauline Frederick, the star of "Double Crossed," proved one of the best things seen at this theatre this season. In this Miss Frederick, as Eleanor Stratton, beautiful young society matron, much in love with her young broker-husband, has a chance to display her beauty and charm as well as some beautiful gowns and jewels. The two have arrived at a point in life where success and happiness seem sure for the future, when a shos in the closet begins to battle its bones. Stratton in his youth has committed a petty theft and has made a written confession of it. The confession, in the hands of an unscrupulous detective stool pigeon, is used as a blackmailing lever to get Stratton to flinch an incriminating paper from his host, Worthington, with whom he and his wife are spending the week-end on Long Island.

The picture "A Bed Room Blunder" slated for screening at the Auditorium Sunday arrived early yesterday and if laughs count, then this picture sure made good at this house yesterday, for hundreds were kept in laughing mood for the entire two reels. This two reeler, Mack Sennett's first Paramount comedy, is held over for today.

The Slacker.

One of the best features so far shown in Newark in "The Slacker," a Metro seven-reel masterpiece, written and produced by William Christy Cabanne, with Emily Stevens in the title role. It is a powerful patriotic feature, and the story gives a nice contrast between the brother who enlisted and the one who married so that he could not be drafted. The action is developed in such a manner as to prove that the slacker really was courageous physically, this being demonstrated early in the

picture, where he is seen to rescue a man from drowning. Many clever tableaux are shown, such as Lee's Surrender; the North and the South joining hands before President Lincoln after the war; Paul Revere's Ride; Nathan Hale's speech before he was hanged; the authorship of "The Star Spangled Banner," etc.

No matter what efforts are made by other film producers, Lyman H. Howe, whose Travel Festival comes to the Auditorium on next Tuesday, always contrives on each recurring visit to maintain his nation-wide reputation as America's foremost exhibitor. It is for this reason that he commands the patronage alike of regular theatregoers as well as of hundreds in each city who never attend any other attraction. His new production conducts spectators to a point "Somewhere in the Atlantic" aboard Uncle Sam's New Navy to form a closer acquaintance with the latent power of our mighty naval units. It also follows up the manifold duties of the day's work by the blue pockets from reveille to taps. The film is replete with scenes of thrilling interest which are fittingly supplemented by a series depicting the life, training and tactical exercises of Midshipmen at the U. S. Naval Academy, at Annapolis.

Auditorium Notes.

The Standard Theatre in Cleveland for the last two weeks had the great William Fox masterpiece, "Jack and the Beanstalk," as its attraction and at nearly every showing capacity crowds attended. On Saturday and Sunday a special force of police had to be called to keep thousands in line who wanted to see what is said to be the biggest feature of the year 1917. It is soon to be seen at the Auditorium.

William Christy Cabanne, who produced "The Slacker" for Metro, heads a new company of his own, to be called "The Zenith Film Corporation."

Douglas Fairbank is to be seen in "Down to Earth" for one day again at the Auditorium. This feature was seen here during fair week and many local patrons did not get to see it—hence the return.

Mothers, do not forget: the old clothes matinee at the Auditorium next Saturday afternoon, when all kids will be admitted for any piece of cast off clothing, this to be given to some worthy poor of our city, and from a recent add appearing in these columns, there are a number of poor who need clothes. Manager Penber is arranging a special pro-

## Overworked Women

### must learn not to neglect their health

How Women are Restored to Health

Spartanburg, S.C.—"For nine years I suffered from backache, weakness, and irregularities so I could hardly do my work. I tried many remedies but found no permanent relief. After taking Lydia E. Pinkham's Vegetable Compound I felt a great change for the better and am now well and strong so I have no trouble in doing my work. I hope every user of Lydia E. Pinkham's Vegetable Compound will get as great relief as I did from its use."—Mrs. E. D. McAbbe, 122 Dewey Ave., Spartanburg, S. C.

Chicago, Ill.—"For about two years I suffered from a female trouble so I was unable to walk or do any of my own work. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers and determined to try it. It brought almost immediate relief. My weakness has entirely disappeared and I never had better health. I weigh 165 pounds and am as strong as a man. I think my health is well spent which purchases Lydia E. Pinkham's Vegetable Compound."—Mrs. Jos. O'Baran, 1155 Newport Ave., Chicago, Ill.

YOU CAN RELY UPON

## LYDIA E. PINKHAM'S VEGETABLE COMPOUND

### 25 Years Ago

(From Advocate, Oct. 16, 1892.)

The grocery store of Mr. Joseph Connell in the North End, on Mt. Vernon street, was entered last night by burglars.

Messrs. Kuster and Hohl have generously donated a banquet to the bicycle club to be given after the tournament tomorrow.

Word has been received that Mr. Frank Sigler, son of Richard Sigler is seriously ill in Texas.

The refreshments at the Y. M. C. A. reception on Thursday evening were served by The King's Daughters.

W. C. Wells, James E. Thomas and Joseph Kuster, Sr., left today on a fishing excursion.

Warren K. Moorehead, the archaeologist and Prof. W. G. Tight of Granville organized, a class to explore and investigate the pre-historic mounds and village sites of Licking county.

### 15 YEARS AGO.

(From Advocate, Oct. 16, 1902.)

Born to Mr. and Mrs. G. E. Schoeller of German street, Thursday morning, a daughter.

The Christian Union church on Pine street of this city has just secured the services of Dr. J. W. Maxwell, late of Toledo, as pastor.

J. A. Flory, the well known attorney, was seriously injured yesterday when he fell from an apple tree. His eye is badly hurt.

A pretty wedding occurred on Wednesday evening at the home of Dr. and Mrs. J. W. Alexander when Aaron R. Vanatta and Florence Alexander were married.

**Birth of a Son.**  
Mr. and Mrs. W. H. Markham,  
Mahon street, received a telegram  
Monday evening, from Oklahoma  
City, announcing the birth of a 12-  
pound son to Mr. and Mrs. R. D.  
Lewis. Mrs. Lewis was formerly  
Miss Bessie Markham. Mr. and Mrs.  
Markham will leave soon for Okla-  
homa.  
**Sergt. Payne Returns.**  
Sergeant Frank Payne has returned  
to Camp Sherman after a three  
days visit with his wife and other  
relatives in this city.  
**Visit Newark Boys.**  
Dr. H. P. Martin has returned  
from a visit at Camp Sherman where  
he met a number of Newark boys,  
among them being John Sachs, M. R.  
Brack, John Capps, Stewart Sedg-  
wick, Gary Speaks, Ralph Brumbach,  
Newell Kline, William Kemp, John  
W. Mitchell, William Vogel and Wil-  
liam Howard. The boys told him  
that General Glenn recently looked  
over the Newark contingent and de-  
clared that the boys from Licking  
county took to the soldier discipline  
better than any contingent received  
at the cantonment.  
**Birth Announcement.**  
Born to Mr. and Mrs. Morris  
Beoney of Channel street, Tuesday  
morning, a son. Mr. Beoney is the  
advertising manager of the Meyer &  
Landorf store.  
**Churches of Christ.**  
The county union of the Disciples  
of Christ of Licking county, will be  
held on Saturday, October 20, at  
Eden church. The event will be all  
day and an interesting program will  
be arranged. Dinner will be served  
by the Eden people to all members  
and friends of the church. L. C.  
Hobbs, secretary.  
**Enlisted in Navy.**  
Mr. and Mrs. Thomas Hayes of 122  
South Pine street have received word  
from their son Thomas W. Hayes  
who recently enlisted in the navy.  
He is stationed at the Great Lakes  
Training School Great Lakes, Ill., and  
is well pleased with the life and is  
in excellent health. He is with Det.  
Company 32.  
**Fredonia Red Cross.**  
The Fredonia Red Cross organiza-  
tion will entertain with a social for  
the purpose of raising funds for the  
Red Cross work on Thursday, Octo-  
ber 18. Several interesting addresses  
on the subject will be delivered by  
Newark people.

**COLORED DRAFTEES  
GO BEFORE BALANCE  
OF COUNTY QUOTA**  
It is very probable now that the  
remainder of Newark's quota of  
draft men will not leave the city  
until after October 27, the date  
which has been tentatively set for  
the beginning of the removal of the  
colored drafted men to the various  
cantonments.  
There remains 15 per cent of the  
Newark and Licking county quota  
to be removed to Chillicothe and  
about 5 per cent of these will be col-  
ored. They probably will be re-  
moved to the camp in different con-  
tingents.  
The local draft board today re-  
ceived the following names of men  
who had appealed to the district ap-  
peal board at Columbus and had  
been turned down: Traford Purze  
Paul, 169 West Locust street; Wil-  
bur L. Martin, 130 Twelfth street;  
James Rolley, Armistead, 68 North  
Williams street; William Dewitt  
Brook, 46 Ninth street; George L.  
Weber, R. D. 2; George Edward  
Miller, 111 Franklin avenue; Arlo  
Wotring Powell, North Sixteenth  
street; Harley Lee Hughes, R. D. 6,  
Newark Harv Olmstead Thomas (ne-  
gro), near 169 Hoover street; John  
Ratlin, 265 Beech street; James Lee  
Hood, 219 Mount street; Carlos Ed-  
mund Lehman, 551 Wehrle avenue.

**AUTO STOLEN IN  
WILMINGTON IS  
RECOVERED HERE**  
The local police picked up a young  
man who gave the name of Charles  
Ferris this morning. He was trying  
to sell a seven-passenger Hudson  
touring car at the Auditorium  
garage.  
When questioned by the police he  
told several different tales and in an  
answer to a query sent out it was  
found that the car had been stolen  
from a man by the name of Fulk,  
living near Wilmington. O. The Wil-  
mington officials were notified and  
he will be held for the sheriff of that  
county.

**FINE AUTO DRIVER  
FOR INTOXICATION**  
Mayor R. C. Bigbee had a busy  
session in police court this morning.  
Larkin Larason had been arrested  
for driving a machine on the wrong  
side of the street and intoxication.  
He had been from Central City and  
was fined \$25 and costs on each charge  
and was remanded to the city pris-  
on on one charge and to the county  
jail on the other.  
Helen Tate, who has spent some  
time at the city prison on other oc-  
casions, was up before the mayor  
again this morning on a charge of  
intoxication. She gives her residence  
as Mt. Vernon, but will change it to  
the county jail for a time to work  
out fine of \$5 and costs.  
Two drunks were fined \$5 and  
costs, and William Ridenour, a regu-  
lar, was given \$8 and costs for be-  
ing drunk and \$25 and costs for  
making himself a nuisance on the  
streets.

**OBITUARY**  
**John H. Priest.**  
John Hubbard Priest, aged 71  
years, died Tuesday morning at 7  
o'clock at the home of his daughter,  
Mrs. Otto Rusterholz, 119 Clinton  
street. No definite arrangements  
have been made for the funeral. A  
notice of it will be published later.  
Mr. Priest was the son of Mr. and  
Mrs. Sanford Priest and was born  
June 30, 1846, in Mary Ann town-  
ship. In 1875 he was united in mar-  
riage to Sarah Ellen Hupp and to  
this union five children were born:  
Charles B. Priest of Toledo, Bert V.  
Priest of Harrisonburg, Va., Mrs.  
Flora Cunningham of Utica, Otto M.  
Priest of Akron, and Mrs. Myrtle  
Rusterholz of Clinton street, where  
the deceased had made his home for  
the past year. He is survived by  
two brothers, Stephan Priest of  
Hanover, and George Priest of Re-  
form.  
**Helen E. Wolfe.**  
Helen Elizabeth Wolfe, 16-months-  
old daughter of Mr. and Mrs. Carl  
Wolfe, died Monday at the home of  
her parents, 66 McKinley avenue,  
after only four days illness. She is  
survived by her father, mother and  
one brother. Funeral service will  
be held at the home Wednesday, at  
1 o'clock, conducted by Rev. J. E.  
Walters. Burial in Cedar Hill cem-  
etery.  
**Mrs. Price's Funeral.**  
The funeral services of Mrs.  
Sarah J. Price, who died Sunday at  
the family home on the Evergreen  
farm, Welsh Hills, were held this  
afternoon at 2 o'clock, at the Welsh  
Hills Baptist church, Rev. Bunyan  
Spencer of Granville, officiating.

**Funeral of Mrs. Smith.**  
The funeral services of Mrs.  
Sarah R. Smith, who died at her  
home, East Locust street, Sunday  
morning, were held this afternoon  
at 2 o'clock, Rev. Lewis P. Franklin,  
rector of the Trinity Episcopal  
church, officiating. Interment was  
made in Cedar Hill cemetery.

**AUTOMOBILE CRASHES  
THROUGH PLATE GLASS**  
A machine, driven by John Staple-  
ton, Buena Vista street, went  
through a plateglass window at the  
automobile store of Roy Baird, West  
Main street, Monday evening.  
Intending to back out from the  
curb the driver put the machine in  
low, instead of reversing it, and it  
jumped the curbing going with the  
two front wheels through the win-  
dow. The machine was not damaged  
and Mr. Stapleton escaped injury.

**GRANVILLE**  
[Special to The Advocate]  
Granville, Oct. 16.—Loyalty to  
the Big Red team inspired the dem-  
onstration of Denison students last  
night when all departments of the  
universities turned out en masse in a  
monster parade, headed by the band  
and the huskiest vocalists, and  
marched to the T. & O. C. station to  
meet the returning warriors. As the  
procession of some five hundred  
men and girls turned on Main street,  
the strains of the band were drowned  
in the singing of the students, who  
kept step to the beat of the big  
drum. Each of the victors in the  
great game played at Camp Sheri-  
dan on Saturday, was greeted with  
the time-honored yell. As the joyful  
noise continued unabated for some  
time after the return to Broadway,  
Granville residents became aware  
that great matters were afoot,  
though many of them only guessed  
at the cause.  
Prof. C. D. Coons, faculty man-  
ager of the board of control, who  
accompanied the football squad to  
Camp Sheridan in Alabama, reports  
a glorious time for the twenty men  
of the party, who would have enjoyed  
every moment of the trip even with-  
out the victory over the soldier boys  
—whose team was composed mostly  
of the "Toledo Maroons"—a squad  
under the auspices of the Ammu-  
nition and Ambulance train. The  
Denison boys were greeted every-  
where with distinguished cordiality,  
and on their arrival at Montgomery  
were met by a great delegation of  
soldiers and citizens, and escorted  
to their elegant headquarters in the  
Gay-Teague hotel. On Friday night  
a ball was given in their honor at  
the Montgomery auditorium. The  
college boys were greatly impressed  
with the ladies, both old and young,  
who possess a peculiar charm of ac-  
cent and of manner. At the game  
on Saturday the same spirit of hos-  
pitality was shown. Seventeen thou-  
sand soldiers witnessed the contest,  
played on the field supplied by the  
government and backed by the Mont-  
gomery Chamber of Commerce, who  
defrayed the expense of the trip,  
\$1,150. The officers in charge ex-  
pressed the deepest satisfaction with  
the results of the game. Many  
souvenirs of the visit were brought  
back by the boys. Mayor Coons met  
all the Denison men in camp and  
will send a list of them for tomor-  
row's Advocate.  
The King's Daughters, the faith-  
ful co-workers for war relief, held a  
work meeting Monday afternoon in  
their headquarters and tied comforts  
for the A. F. F. W. At 5:30 supper  
was served to some fifty members,  
with Mrs. Tudie D. King, who leaves  
for her new home in Columbus this  
week, as honor guest. Following  
the repast, a brief business session  
was held with Miss Lilly Jones as  
leader of the devotional and Mrs.  
Thurston of the Bible study. Re-  
ports of the Toledo convention were  
read by Mrs. Thomas, Mrs. Sheidt,  
Mrs. Duerr and Miss Lilly Jones, the  
president. Special music was fur-  
nished by Mrs. Ernest Sheppardson,  
soprano, accompanied by Mrs. Dar-  
row, and further entertainment of-  
fered by Miss Abbie Davies in a  
reading.  
The Travelers' club enjoyed its  
second glimpse into the archaeology  
of Central America on Monday af-  
ternoon. Fundamental work is im-  
portant, and yesterday's program  
dealing with aboriginal conditions  
was enjoyable. "Aboriginal Arts,"  
found an able exponent in Mrs. A. K.  
Herriek; The "Callendar, Numerical  
and Astronomical Systems," oc-  
cupied the place of honor in a lec-  
ture by Dr. Forbes Wylie, head of  
the Mathematics department of Den-  
ison. By use of the blackboard the  
perplexing systems were clearly  
worked out by the master mathema-  
tician, who was heartily applauded.  
The first "Round Table" to appear  
on the Travelers' program was pre-  
sided over by Mrs. George H. Reece,  
who gave a brief resume of "Style  
and Color in Fabrics," dealing with  
the subject in its broad artistic and  
historical aspects. For concrete ex-  
amples of "Styles in Modern Dress,"  
and "Color as Exemplified in Mod-  
ern Dress," she called upon Mrs.  
Burton Case and Mrs. W. E. Clem-  
ons, and the free discussion which  
followed was brisk and interesting,  
much in the nature of a "that re-  
minds me" symposium.  
Dr. and Mrs. Samuel Orton of  
Philadelphia have arrived in Gran-  
ville and are occupying the house in  
College street owned by Mrs. Chris-  
tine Cook. They will, their child-  
ren expect to spend the winter in  
Granville to afford the doctor chance  
and rest Mrs. Orton was formerly  
Miss Mary Pollett of Columbus, well  
known in Granville and Newark.  
Fred McCollum, on furlough  
from the officers' training camp at  
Fort Benj. Harrison, spent Sunday at  
his home in East Elm street. He is  
in fine condition and takes kindly  
to the strenuous life.  
Miss Sarah Taylor of Toledo was a  
week-end visitor in Granville, a

guest at the home of Mr. and Mrs.  
E. J. Dorsey.  
Mr. and Mrs. Russell Williams of  
Dayton, both former Denison stu-  
dents, have been spending several  
days in Granville and are stopping  
with Mrs. B. I. Jones in Broadway.  
Mrs. Williams is remembered as  
Miss Dorothy McCann, whose wed-  
ding occurred but a fortnight ago.  
W. D. Shirke of Fairfield, Iowa,  
spent the week-end with his cousin,  
Dr. C. J. Loveless. Mr. Shirke, who  
is own cousin to W. D. Howell,  
America's "dean of letters," is com-  
piling a history of the Howells fam-  
ily, and tells many interesting tales  
of various members of the clan. Dr.  
Loveless' grandmother was a sister  
of the author's father, Paul and  
Vaughn Keeter, the novelist, are  
cousins of W. D. Howell, as is Rev.  
Mr. Nichol, the great platform  
orator.  
The house party at "Wilkenheim,"  
the home of Mr. and Mrs. James A.  
Huston on the Columbus road, has  
been augmented by the arrival of  
their cousins, Dr. Mary Holmes and  
Miss Fannie Holmes of Washington,  
D. C., who will spend a fortnight  
here.  
The funeral of Mrs. Thomas Price  
was held at the family homestead in  
the Welsh Hills this afternoon at 2  
o'clock and interment made in the  
Welsh Hills cemetery. Mrs. Price,  
who was 86 years old, was the re-  
markable mother of a remarkable  
family of seven sons, each of whom  
has made his mark in the world.

**NOTICE TO VOTERS  
OF CITY OF NEWARK**  
The various voting places in the  
several precincts in the city of New-  
ark will be open for transferring of  
voters who have moved and the reg-  
istration of new qualified electors.  
Unless you are registered or trans-  
ferred to the precinct in which you  
now live you cannot vote at the en-  
suing election—November 5, 1917.  
Registration places will be open  
from 8 a. m. to 2 p. m. from 4 p.  
m. to 9 p. m., on both the 19th and  
20th of October. 10-16-17

**EXCHANGE OF PRISONERS  
DISCUSSED AT CONFERENCE**  
[ASSOCIATED PRESS TELEGRAM]  
Copenhagen, Oct. 16.—The pris-  
oners of war conference which will con-  
sider questions relating to the ex-  
change of prisoners and the supply-  
ing of food parcels to soldiers held  
in enemy countries opened here last  
night. Official representatives of  
the Russian, Austrian, German and  
Turkish governments participated,  
but no American, British or French  
delegates were present. The Ro-  
manian Red Cross was represented  
by a delegate as were the Red Cross  
organizations of Denmark and  
Sweden.

**AWARDS**  
The following persons were for-  
tunate participants in the Licking  
Creamery Company's monthly profit  
sharing plan:  
No. 3—Walter Hottinger, 115 Ger-  
man St., Jos. Antritt, 197 South  
Second St.  
No. 5—Jas Coleman, 262 Indiana  
St., E. Swan, 4 Bolen St.  
No. 6—Wm. Kockley, 639 Evans  
St., E. E. Moore, 259 Elmwood Ave.  
No. 9—Donald Stevens 64 North  
Fifth St., A. S. Mitchell, 52 Granville  
St.  
No. 11—B. E. Hollar, 18th St., L.  
A. Reid, 21 Fairview. 10-16-17

**MORE ABOUT THE CAMOUFLAGE  
OF HERBERT AUGUSTUS  
ATHERTON, CANDIDATE**  
By reason of the attempted camou-  
flage of Herbert Augustus Atherton,  
candidate for Mayor, whereby he has  
sought to substitute himself as the  
Independent Candidate for Mayor in  
place of Mr. Jordan, the committee  
of the Independent Candidate have  
replaced the banner over headquar-  
ters on West Main Street high above  
the camouflage of Herbert Augustus  
Atherton so that the public will be  
no longer deceived or misled.  
The committee of the Independent  
movement do not care to go into a  
discussion of the right claimed by  
Herbert Augustus Atherton candidate  
for mayor, whether or not the fact  
that the mother-in-law of Herbert  
Augustus Atherton could give him  
the right to deface the front of the rooms  
of the tenant or lessee of said mother-  
in-law nor do we wish to go to the  
courts and bring a suit to test the  
validity of the law decide between  
the lessee and said Herbert Augustus  
Atherton.  
Much more the Independent com-  
mittee wish to leave the banner sit-  
uated as it is a fitting evidence of  
the purity and integrity of the afore-  
said Herbert Augustus Atherton. We  
call attention to our new banner as  
evidence of our repudiation of the  
attempted camouflage of Herbert  
Augustus Atherton. Candidate for  
Mayor of Newark. Ohio. City of  
large possibilities and great future  
is but care for its best interests.  
Take a look at our new banner.  
16-d-17 Independent Committee.

**BOSTON STORE ALWAYS SAVES YOU MONEY**

**"QUALITY CONSIDERED YOU CANNOT MATCH OUR PRICES"**  
**Star Cut Rate Groceries**  
Compare our prices with those of any other grocery and meat market in town and we can depend upon you for a regular customer. But be fair to your self and to us. Don't compare only one item, compare everything. We would not say this if we did not know our prices to be the lowest, quality considered. If you will compare our prices with those of other stores, we are sure that you will become a regular Star customer. Money back if not satisfied.
